Dear Mrs. Carroll,

I want to begin by thanking you for the tremendous hospitality that you and the entire Seton School family extended to the Visiting Team during our stay. Everything we needed was at our fingertips and your faculty, parents, and students could not have made us feel more welcome. You have so much to be proud of at your school and I personally benefited from my visit by bringing so many wonderful examples of the many areas in which you excel back with me.

We are working on finalizing our report and hope to have it to you by May 9. If you have any questions about the report, please do not hesitate to contact me.

Again, thank you for making our visit to Seton School an outstanding experience. I wish you much success in the completion of this year and many great years to come.

Sincerely,

Joseph Whitley
Visiting Team Chair
