

Dress Code

*Dress Code Philosophy **

Students show respect for their school and themselves by taking pride in their appearance. A dress code reflects the values of the institution that establishes the code. As long as a student is enrolled at Seton School, he/she should represent and reflect the image of the school.

- In the formation of mature, educated, Christian adults, students must possess personal discipline and modesty.
- The sacrifice and effort required to adhere to a uniform dress code policy on a daily basis is an outward expression of the discipline necessary for academic success and spiritual growth.
- In an effort to boost school pride, the dress code allows students to be identified as members of the Seton community while on campus as well as when traveling to and from school.
- A dress code focuses on equality and a sense of belonging and thus helps to eliminate competition to “out-dress” other students.
- Seton has four dress codes (Uniform, Out-of-Uniform Day, Activities, and Casual Dress) that are outlined in the following pages.
- Final decisions about student dress reside with the director and faculty.
