

Our Lady Of Fatima Youth Pilgrim Virgin Program & Vocation Crucifix Program

Bishop Alberto Amaral of Fatima has described the appearance of the Holy Family during the miracle of the sun at Fatima on October 13, 1917, as heaven's call for the sanctification of the family.

A plenary indulgence may be gained by praying the family rosary.

Seton's Our Lady of Fatima Youth Pilgrim Virgin Program runs through the school year. We encourage families to participate and receive Our Lady into their homes. Each week during the school year, a family name will be drawn to take the statue. This name will be printed in the Sentinel. The family will take the statue home on Friday afternoon. The statue will be returned to school the following Friday morning. We ask families who receive a statue to come together to pray the rosary and to consecrate the entire family to the Sacred Heart of Jesus through the Immaculate Heart of Mary. The entire Seton community participates in the program by praying for the family who has the statue each week, while that family is asked to pray for all Seton families and their needs.

The Vocation Crucifix Program consists of taking the crucifix for one week and reciting prayers daily for an increase in vocations to the priesthood and religious life. Each week during the school year, a family name will be drawn to take the crucifix. This name will be printed in the Sentinel. The family will take the statue home on Friday afternoon. The statue will be returned to school the following Friday morning. Prayers for vocations can be offered at any time during the day, perhaps before the family's main meal or at another time that is convenient for the whole family.

Pray that the Lord choose from our own families those He will call to serve Him as priests and religious men and women.

If you would like Our Lady's statue to come to your home, fill in the participation form below, and return it to the school office.
