Thank you for your inquiry concerning Seton School. Enclosed you will find the statement of our current Admissions Requirements and Procedures, information about the school, and an Application for Admission.

Seton School welcomes students of all racial and ethnic backgrounds and is non-discriminatory. We do not, however, have the personnel or the facilities to work effectively with children with emotional or behavioral problems or those who need special education. Although Seton is a Catholic school, non-Catholic students are welcome to apply. However, when applicants outnumber spaces available, preference is given to Catholic students. All students, regardless of religious affiliation, are required to attend the two weekly Seton Masses.

We will be pleased to accept your Application for Admission, and will administer the Seton Entrance Exam to all qualified applicants. **However, Seton is currently near maximum enrollment and it is likely that there will be only a few openings for new applicants for grade 10 for the 2018-2019 school year.** If you apply for grade 10 please do not be surprised if your child is wait-listed, no matter how well qualified he or she is. We just do not have space to accept everyone who applies. Thank you for understanding.

If you wish to apply to Seton, return the completed Application for Admission with the non-refundable \$125.00 (per child) application fee. On the back of the application form indicate your preferred Entrance Exam date. We encourage you to consider the earlier test dates as they are generally less crowded. After we receive your application and application fee, our Admissions Coordinator, will contact you to confirm the Entrance Exam date for your son/daughter. All Entrance Exam dates must be confirmed. We do not accept walk-ins.

God bless you and thank you again for your interest in Seton School. Please pray for our educational apostolate.

Sincerely in Christ the King,

Anne W. Carroll, Director
