

Enthronement Dance

The Enthronement Dance is held every November in celebration of Christ the King. Students have a chance to look their best and enjoy the evening. This dance is for currently enrolled Seton high school students only!

What to Wear

As we near the time for our annual Enthronement Dance, many of the girls are already thinking about what to wear. The basic standards for this dance are the same as for classroom dress (except that girls may wear dress shoes, sandals, and high heels. **Heels may not be worn on the dance floor!**) Boys are to be in dress shirt, dress pants, and tie. Girls are to be in nice dresses or skirt and blouse outfits. A good guideline is to wear something appropriate for a wedding. As always, short, tight, clingy, or see-through clothes are not permitted. Please, no low-cut necklines.

Girls should not feel obliged to buy fancy new dresses for this occasion. Simplicity is always a virtue, as is frugality. In view of the causes for which the students have been raising money this year (pro-life, twin school in Haiti), girls might consider wearing something they already have and donating the money they save to one of these causes.

Important Note About the Dance

Some students have the mistaken idea that dates are necessary for the Enthronement Dance. This is definitely not true. We encourage students to come in groups and to enjoy the company of all their classmates. We discourage pairing off.

Sleeveless Dress Pre-Approval Policy

Some conservative formal neckline dresses that have a jewel (close neckline that encircles the base of the neck, crew (close around the neck), or bateau/boat (closely follows the collarbone) neckline do meet Seton standards of modesty even though they are generally sleeveless. Any dress without sleeves must have a neckline at or above the collar bone and it must go to the shoulder. These style dresses that are sleeveless can be worn at the Enthronement Dance.

Mrs. Cackett and Mrs. Pogue will be approving dresses next week during lunches. ALL DRESSES MUST BE APPROVED.

Crew Neckline

Jewel Neckline

Bateau/ Boat Neckline
