***“Behold, I make all things new.”***

- *Revelation 21:5*

In September, 2015, after 27 years of prayer and sacrifice, the local pro-life community was able to close and purchase the Amethyst abortion clinic in Manassas. Now, two years later, Catholic Charities of the Diocese of Arlington is opening the ***Mother of Mercy Free Medical Clinic*** in the very same location, making tangible this community’s commitment to building a “culture of life”.

Sincerely,
