FROM THE DIRECTOR

CENTENARY OF THE MIRACLE OF THE SUN:

On Friday, October 13, our celebration of this anniversary will begin with Mass at the usual time, followed by a procession with the Blessed

Sacrament and the Fatima statue around the block. We will then have Benediction. After Benediction, there will be prayers and a balloon Rosary in the grassy area behind the chapel. Students will be treated to free pizza for lunch. In the evening, instead of a Holy Hour in our chapel, we encourage everyone to attend devotions in their own parish, to complete the commemoration. All Saints will have a Holy Hour with Rosary 7:30-8:30 PM. Please plan to join us for as much of the celebration as you can.

HAITI RUN AND FUN DAY this Saturday, October 14, to raise funds for our sister school in Thomassique, Haiti. We will be asking each student to raise \$10 to help these children in the poorest country in the Western Hemisphere. The event will be on the grounds of the Manassas Museum, 9:00-11:00 AM. It will include games as well as the usual chance to run (or walk!) around a course. Money raised by Seton has been used to provide meals for the children in the school. For many of them that is the only meal they have each day. Please make a small sacrifice to make a big difference. Students should turn in their donations in an envelope to the office with their name and grade on the outside. Last year we raised a record amount of funds and we're hoping to break the record this year.

THE POWER OF SILENCE: Here is the sixth installment from Father Morey's faculty retreat:

THE CROSS

Silence pervaded the entire life of our Savior. All the prophets foretold the birth of the Messiah. And although we might think that event should've been accompanied by public rejoicing and fanfare, we know that Jesus, the king of the universe and the prince of peace, was born in the silence of a cold Bethlehem night. We know a few details about the visit

MASSES AND ROSARIES

Thank
You

Mrs. Wood for providing the priests lunch and dinner for Mrs Carroll and Fr. Cilinski for saying Mass and leading Seton's consecration renewal to the Sacred Heart.

SETON SCHOOL IS PROUD TO PRESENT "CYRANO"

October 21 at 7:30 PM • October 22 at 2:30 PM

Seton School in Manassas, Va is proud to present Edward De Rostand's classic tale of bravery, heroism, and unrequited love. "Cyrano" is sharply witty, passionate, and deeply moving. Michael Hollinger's new translation is a spectacular rendition that gets right to the heart of the story while retaining the lyrical and magical quality of the original. It is relevant, touching, poignant, and hilarious. Under the sarcastic humor and deep pain that is layered so expertly lies a greater truth - every person has worth. This message, recently reflected in the writings of John Paul II, is woven throughout this master work. Come see romance, action, sword fights, comedy, and truly memorable performances in this powerful new production!

All seats \$7 / \$42 Family Maximum • Tickets available at the door • Ticket sales begin two hours prior to performances • Doors open 30 minutes before performances

Tickets will be sold at Seton's Front Office starting Oct 16th.
