FROM THE DIRECTOR

ALL SOULS DAY: On the Monday within the Octave of All Souls, we take a walking pilgrimage to the nearby cemetery after Mass to pray for the repose of the souls in Purgatory in order to gain the plenary indulgence available during this Octave. Please plan to join us. We walk to the cemetery, students gather to pray with their home room teachers, we walk back to church, we return to school and pick up the schedule at whatever time it is. Only those who are unable to walk that distance should drive to the cemetery.

Usual conditions for a plenary indulgence: Holy Communion that day, confession within 8 days before or after, prayers for the Holy Father's intentions (will be prayed in the cemetery), and freedom from attachment to sin. This indulgence can be gained each day during the Octave of All Souls Day.

ENTHRONEMENT DANCE: See the flyer for guidelines for Enthronement Dance dresses. All girls attending the dance must have their dresses approved. They can see Mrs. Cackett or Mrs. Pogue during their lunch hours.

PRAY FOR THE ELECTION: There will be a Holy Hour in the Seton chapel on Sunday, November 6, 7:00-8:00 PM, to pray for the election. Please come. This is a crucial election and we need the power of prayer.

SPANISH FIESTA: Many thanks to all those who attended or helped with the Spanish Fiesta to support the nuns from Mexico in the building of their monastery. Please patronize the restaurants which donated food: Olive Garden, El Tio, Tony's Pizza, Toltecas, Mariachis, and Family Diner.

THE POWER OF SILENCE: Here is the 9th installment from Father Morey's faculty retreat:

Like her Son, Mary's most powerful moments are when she remained silent. And yes, that took her all the way to the foot of the Cross. Faced with such grief and exhaustion, Mary has no strength on her own. And yet, as Cardinal Sarah points out,

Thank You

- Mrs. Vestermark for providing the priests lunch and dinner for Mrs Carroll and Fr. Schaffer for saying Mass.

"Mary possesses a great interior strength, and she remains standing and silent. She takes refuge in prayer, self-offering and serene acceptance of God's mysterious will, in communion with her Son. The Mother of God loves a God who makes no noise and burns up human violence in the fire of his merciful love. . . The union of her silence with the prayers of heaven enables her to remain standing at the foot of the cross. Mary does not rebel, she does not shout. She accepts suffering, thanks to her prayer." If we're ever struggling with silence or with suffering, we should go to our Blessed Mother Mary with our prayers, because she can teach us a lot about these necessary components of the Christian life.
