

Recycle Your Bicycle

Since 2005, Bikes for the World and its network of volunteers has rescued and re-purposed 100,000 used and new bicycles, distributing them to urban streets and rural villages around the globe. Our recycled bikes create jobs, raise income, boost student learning, and increase access to health care, transforming the lives of individuals and building stronger families and societies.

April 20, 2018, 8 a.m. to 12 p.m.

**Holy Trinity Catholic Church
8213 Linton Hall Rd**

We'll accept bikes of all models in repairable condition as well as bike parts and tools (as well as a recommended \$10/bike donation to help defray the cost of processing/repairing)
