

SUMMER IS AROUND THE CORNER! START PLANNING NOW!

Seton is offering a **VEX ROOKIE CAMP** for students to acquire experience with VEX robotics. In VEX robotics teams build land-based robots to compete in various competitions. Students participating in VEX robotics cultivate skills such as research, planning, brainstorming, collaboration, teamwork, leadership, and programming.

Rookie Week: June 11-15, 9:30 AM – 3:30 PM

Grades Level: Open to rising 9th – 12th graders in good academic standing.

Fee: \$175. All funds go toward VEX club costs for the year.

For more information or financial assistance, contact Mr. Hoffman at MHoffman@setonschool.net

ACT TEST PREP CLASS

Are you ready for the ACT? Summer is a great time to prepare! Come join our class! Our ACT prep curriculum includes identifying possible colleges to apply to, researching the ACT test scores needed for those schools, an in depth study of each subject area on the test, and strategies to maximize a personal best score. We will practice tests in an untimed format, then move to practicing the test when timed and using a "bubble" answer sheet. We have developed this curriculum over the past 8 years and our strategies reflect the most recent changes made to the test. New this year, Kristin Forman will be teaching the Reading, English, and Science prep classes and Maria Cackett will be teaching the Math prep classes. Prefer one on one tutoring? Contact Kristin Forman at 703-330-8794 or formantutor@yahoo.com

When: Mondays, 10-11am. June 11-August 13. 10 classes for \$200.

Where: A home in Manassas, a few miles from Seton

How many students? Limit 5 per class, need at least 2 students to have the class.

CLASSROOM DRIVER EDUCATION AT SETON SCHOOL

Price: \$180 – classroom only – MAKE CHECKS PAYABLE TO SETON SCHOOL.
