Profile 2018-2019

~Saint Elizabeth Ann Seton

Mission Statement

Seton Junior-Senior High School is an accredited, private, co-educational school operated by Catholic laymen dedicated to promoting the established tradition of Catholic secondary education. In cooperation with our parents, the primary educators of their children, the faculty and staff of Seton School profess a threefold educational mission to:

- 1) Deepen the student’s relationship with the person who is Jesus Christ, so they might faithfully follow His teachings and discover their vocation within His Church.
- 2) Cultivate the pursuit of Truth through sincere faith and right reasoning in all areas of study.
- 3) Foster friendships and moral virtues through excellence in and outside of the classroom.

Seton emphasizes service, requiring each student to perform services hours and encouraging all students to support our adopted sister school in Haiti.

The School

Seton School, founded in 1975, stresses high academic standards and high standards of conduct, close cooperation with parents, and a multitude of activities available to all students. Student population is approximately 350 in grades seven through twelve with about 250 in high school. Seton School is on the Catholic Education Honor Roll, which is sponsored by the Cardinal Newman Society, based on academic excellence, Catholic identity, and civic education.

Enrollment

241 Students in Grades 9-12; Class of 2019: 49

Curriculum/ Grading Scale

Seton School requires its students to complete a rigorous course of studies designed to prepare its students to succeed in challenging college coursework. Included in this curriculum are several college level courses that, while not official AP courses, consistently enable the students to take AP exams in the subject areas of Calculus, Microeconomics, English Language and Composition, English Literature and Composition, European History, United States Government, and United States History. **An average of 34% of the graduating seniors in the classes of 2014-2018 took one or more AP exams during their years at Seton School. 65% of exams taken in 2014 to 2018 scored a 3 or higher.** In 2015, Seton partnered with NVCC and is now offering 3 Dual Enrollment courses in the subject areas of Spanish, Statistics, and Engineering.

100-93	92-90	89-87	86-83	82-80	79-77	76-73	72-70	69-65	64-0

Transcripts display the true percentage received for each class on a 100 point scale. As of Jan 2016, Seton established a 4-point scale which is used to calculate the cumulative GPA. The cumulative GPA is calculated by averaging all Seton High School classes taken. If a student took a Seton summer school remedial class, that class is listed separately, and the cumulative GPA includes the average of the grade received in the summer with the grade received at the end of the year. All classes carry the same weight for GPA purposes. A passing grade is a 70. Seton does not rank except for first and second in the class.
