

# Good Neighbor Baskets

December 8  
12-2 PM

This gesture of Good Will provides baskets of goodies to Seton neighbors during the Christmas season. This includes the houses on Quarry, Maple and Cherry Streets, as well as the police and fire departments, insurance company, funeral home and nearby businesses. It is a small thank you for all the times we use their public and private parking areas, interfere in their quiet evenings with our school events, and generally take up the streets for at least two hours almost every day! Over the years these baskets have brought much good cheer, and the response has been a great change in cooperation, cheerfulness, gratitude and even some evangelization!

We fill approximately 25 baskets and rely solely on donations for this effort. What can you do to help and earn PRO Points?

- Make monetary donations now until December 7. Checks should be made out to **Mary Merrill**.
- Commit to providing baked goods, chocolates, and fruit on Friday, December 7 to office or Saturday, December 8 by 12 PM.
- Volunteer to assemble and deliver the baskets.

Please label all items "Good Neighbor Baskets."
