## FROM THE DIRECTOR

**ANNUAL PILGRIMAGE TO THE CEMETERY:** Each year Seton makes a pilgrimage to the nearby cemetery on the Monday in the All Souls Day octave. This year our pilgrimage is Monday, November 5. After Monday Mass and novena, we will walk to the cemetery. The Manassas police will direct traffic. We ask that all those who are healthy enough to walk do so, rather than drive. Students will assemble with their homeroom teachers at designated spots. They will pray a decade of the Rosary for the souls in Purgatory, say the "Eternal Rest" prayer, and pray for the Holy Father's intentions in order to gain the plenary indulgence offered each day during the Octave of All Souls Day. The usual conditions apply (confession within 8 days before or after, Holy Communion the same day, and freedom from attachment to sin). After the cemetery visit we will walk back to All Saints and then return to school. The schedule will pick up at whatever time we arrive, usually near the end of first period. I encourage all of you to join us, and to make visits on other days during the All Souls octave in order to pray for the departed souls.

**INTERESTING ARTICLES:** You might be interested in these [articles](#) from Focus on the Family.

**CONGRATULATIONS** to the boys soccer team for their thrilling victory over top-seeded Wakefield, thereby winning first place in the Delaney Athletic Conference.

**HUMANAE VITAE, 50TH ANNIVERSARY:** Dr. Richard Gildersleeve of the Bioethics Department of St. John Paul the Great High School gave an excellent presentation on Humanae Vitae at the PRO meeting on Monday. PRO will be sending out the notes on the presentation, which will give you deeper insights into this seminal document.

**MONDAY MASS ATTENDANCE:** A reminder that students should leave home early enough to get to Mass about ten minutes before the 8:30 start time. That way they can still arrive on time even if something unexpected happens. Generally, the number of Mass tardies has been low, for which I thank you, but last Monday there were more than usual. Most weren't very late, but it would be better if students didn't cut it so close.

**ERIC GENIUS MUSIC MINISTRY:** Many of you have attended an Eric Genius concert, and I'm sure many of your students told you about the concert they heard last week. It was a powerful experience that really moved the students. I encourage you to learn more about his ministry by checking out his websites: [Here](#) and [here](#). You might find it in your hearts to support his work. We hope to have him back at Seton next year.
