The year 2019 marks the twenty-second year of operations for Medical Missionaries, is a 501(c) (3) non-profit organization dedicated to providing food, clothing, household items and medical supplies to the financially challenged locally in the metro DC area and Appalachia area of southwest Virginia. We continue to be a 100% all volunteer organization. We assist with disaster relief in areas of the United States that have experienced hurricanes, floods and tornadoes, etc. Medical Missionaries supports American Indian schools and reservations with school supplies, clothing and sporting goods. We coordinate sea containers to third world countries to help build healthcare infrastructure. Medical Missionaries also operates the St. Joseph Clinic in Thomassique, Haiti, a medical clinic providing healthcare for 125,000 people, 24 hours a day, 7 days a week. As one can imagine, sustaining these programs requires substantial funding.

As part of our fundraising efforts, we will be holding our Caring Hearts Auction this year as an on-line auction from Monday, April 29 through Friday, May 10, 2019. This online auction will be advertised to over 2,500 supporters as well as through social media. The site is: <https://www.charityauctionstoday.com/auctions/medicalmissionaries-6603>. We would greatly appreciate your help with a donation of a product or service from your company. Our online auction offers the opportunity for a link to your company's website to be included within your donation's listing as well. A donation form for online auction items is attached. Simply fill out the form and return to us along with your donation by mail at Medical Missionaries, 9590 Surveyor Ct., Manassas, VA 20110, or you may call us at 703.335.1800 or contact us by e-mail irwinmed@aol.com for us to pick up your form and donation.

We are also offering the opportunity for you to advertise your business on the Medical Missionaries website for 3, 6, or 12 months by sending us a business card along with a donation of \$75, \$150, or \$300 respectively. If you prefer instead, you are always welcome to make a direct monetary donation to Medical Missionaries by check or online via our website at www.medmissionaries.org. All donations are tax deductible. The deadline to return donations and/or advertising is Friday, April 12, 2019.

Your help is greatly appreciated by so many unheard voices that struggle to survive daily, both here and overseas. All of us at Medical Missionaries and the many thousands who benefit from our programs thank you for your effort and sacrifice. May God bless you!

Sincerely,

Gilbert R Irwin, MD
President, Medical Missionaries
