## FROM THE DIRECTOR

**RETREATS:** Many thanks to all the parents and other volunteers who contributed to our successful retreats. Everything ran smoothly in spite of last-minute changes. Both Father Searby and Sister Joseph Andrew were quite complimentary of our students.

Please continue to pray that the retreats will bear fruit.

**RETIREMENT ANNOUNCED:** After 22 years of dedicated service, Mrs. McDonald has decided to retire. I am grateful beyond words for all that she has done for Seton and for her students. Please pray for Mrs. McDonald and her family. Vaya Con Dios.

**MUSICAL PERFORMANCES:** Next Friday is the opening night of the musical. We are all looking forward to what promises to be a spectacular show. We hope that all of our families will be attending the musical. We have a few requests. Students attending the musical should be in the gym

during the performance and in the lobby or immediately outside in the courtyard during intermission. Student attendees are not to be anywhere else on school grounds. Parents, please keep your younger children with you at all times. We also ask that everyone dress appropriately. Please use Seton activities dress code as a guideline. No beachwear, ragged jeans, or any immodest clothing. We will have many guests from outside the school community and we want give them a good impression.

**SPIRIT AD CAMPAIGN:** Opening night of the musical is the deadline for donations to meet your family goal to be tax-deductible. The school goal must be met by that night for the students to receive a day off for prom.

### MARIAN LENT—MARY THE WARRIOR QUEEN, Part II:

Mary the Warrior Queen, Part II: Here are two more stories showing Our Lady leading the battle against the enemies of her Son. The first takes place in Poland in 1920. World War I has finally ended, but the Soviet Union is on the March. Russia had fallen to Communism in November 1917, and dictator Lenin intended to spread Communism throughout Europe. Catholic Poland was target number one.

## MASSES AND

### ROSARIES

*Monday Mass*

All Saints 8:30 AM

*Rosary*

Tues-Fri 8:00 AM

in the Chapel

Please pray for all those involved in the Spring Musical as they get ready for opening night on April 5th.

Thank  
You

Father Searby  
and Sister  
Joseph Andrew in leading our students in the grace-filled retreats last Friday.

Five Soviet armies converged on Warsaw. The Polish people prayed. They had a fervent devotion to the Blessed Mother, centered on her shrine at Czestochowa but deep in their hearts as well. But the Polish army was outnumbered four to one. If Warsaw fell, then Poland would fall, and the Soviets would pour into Western Europe.

But on August 15, the feast of Our Lady's Assumption, the Russian soldiers saw an image of the Blessed Mother was seen in the clouds. Polish general Pilsudski executed a daring flanking and encircling maneuver. The Red Army fled in disarray. The Poles call this victory the Miracle of the Vistula, because it took place on the Vistula River. Poland and with it Western Europe was saved from Communist conquest.

Our second story today is of a victory won almost without bloodshed, for our Warrior Queen is also Queen of Peace. The story of the fall of Communism in Eastern Europe and the Soviet Union in 1989-1991 is well known. But here is a little known story from that epochal time.

Catholic Lithuania had held fast to its faith during Soviet domination. When the Soviet Union began to crumble, Lithuania declared its independence. Russian leader Gorbachev sent tanks to put down the upstart Lithuanians. The tanks were drawn up in front of the Lithuanian parliament building, where the Lithuanian freedom fighters had their headquarters.

All the afternoon and into the evening, the radios of the Russian troop commanders around the Parliament building crackled with angry messages urging that they be allowed to attack while their men were still ready and willing. But no orders came, and the officers began cursing over their radios. Around the Parliament building, the defenders were singing Lithuania's great Marian hymn, "Maria, Maria." The music of the hymn and the name of the Mother of God mingled with the Russian curses on the radio.
