

CAN YOU HELP?

The seasons are changing, winter is fast approaching and you have the sniffles. You reach for a Kleenex and find the box empty. You move quickly to the bathroom only to find an empty roll of toilet paper. As a last resort you head for the dreaded paper towels in the kitchen only to find another empty roll.

For most of us this is an easy fix. Extra Kleenex, paper towels and toilet paper are usually close by in some closet or cabinet. However, for the **Nuns at St. Dominic's Monastery, in Linden Virginia**, running out of paper products can be a bit burdensome since they rely totally on the good will of donors like us. We're hoping that the religion classes can serve these amazing women of God by providing some voluntary assistance with paper products. Each class is assigned a particular product(s). Remember this is completely voluntary. Also if your child's class is assigned paper towels and you don't use them but have a box of Kleenex you can contribute, that would be great! *One item or more is perfect.* Thank you for your generosity and may God reward you. *** Drop off bins in front of both offices for the next 7 days!!**

7TH and 8TH Grade Religion Classes:

Paper Towels (*Brawny or Bounty* are good brands)

Kleenex (*Puffs or Kleenex Ultra Soft* are good brands)
