

SETON & HOUSE OF MERCY FOOD FIGHT:
A STUDENT-POWERED FOOD & FUND DRIVE

**JOIN
THE
FOOD FIGHT**

Competition Time Line: March 6th-18th

Meet the 3 competing teams:

1. 12th and 7th grade Team: Earn positive points by bringing in **boxes of cereal**
2. 11th and 9th grade Team: Earn positive points by bringing in **cans of soup** (only cans)
3. 10th and 8th grade Team: Earn positive points and bring in **cans of fruit or vegetables** (cans only)

Object of the game: bring in your team's food item and earn **positive points** for your team; you can sabotage the other 2 teams by putting in their designated box an item from the list of foods that would cause **negative points**. For instance, I am an 8th grader and I want to sabotage the seniors and seventh grade team, so I put a box of macaroni and cheese in their box giving them a negative point.

Negative Points: Each team will have the ability to destroy the other team by bringing in food that's considered negative points thereby lessening a teams points. The following food items are considered negative points: a box of macaroni and Cheese; a box of pasta; a box of rice; a can of sauce or gravy and a plastic container of honey.

Location of Team Box: there will be 3 labeled boxes in front of both offices.

Winners: The team with the most points will win a free hoodie day, teachers will be wearing a hoodie too. Tailgate pizza party in the Senior parking lot with your favorite music.
