FROM OUR EXECUTIVE DIRECTOR, MRS. CARROLL

INTRAMURALS GOING GREAT GUNS. Special congratulations to the tennis coaches for an exciting first day of tennis competition last Monday. Another competition is coming up. And junior high volleyball and soccer intramurals are standing room only.

**HELPING OUR KIDS CONVERSE, CON-
CETRATE, AND CREATE IN A CULTURE OF DISTRAC-
TION:** This talk by Professor Mary Stanford covers a vital topic for parents who want their children to be countercultural. The talk examines the biblical foundations of human communication and discusses ways of creating a culture at home that will nurture our children's gifts. To purchase a video of this talk (\$2.99), follow this link:

SOMETHING TO WATCH: Here's a beautiful movie/documentary to watch: All or Nothing: Sr. Clare Crockett, available on Youtube (click [here](#)). Sister Alison Van de Voorde (Seton grad) is a member of the religious order featured in the movie.

UNSUNG HEROES: Many, many thanks to the Dan and Maryan Vander Woude family, their cousins, and friends who set up the gym classrooms every morning. This is a major undertaking, but they do this task efficiently and quickly with smiles on their faces. If my classroom setup had been left to me, my students and I would have been sitting on the floor with our notebooks on our laps.

SONS OF THE MOST HIGH: Congratulations to Mr. Terreri, Mrs. Dalrymple and all those who made the Sons of the Most High event last Saturday a great experience for our young men.

SATURDAY SOCIAL: Hope to see you all Saturday night in the chapel backyard under the stars!

SONS OF THE MOST HIGH

Our Third Sons of the Most High event was a huge success and we very much appreciate all the efforts made to create such a great day for the young men of Seton School. Special thanks to Mr. & Mrs. Koehr for hosting us at their lovely estate in Warrenton. Thanks, also, to Father VandeWoude for offering mass at the site. Please offer some prayers of thanksgiving for the moms and dads who helped with organization, setup, serving, cleaning, and general support of whatever kind. We could not have had such a wonderful day without you! And, thanks to the young men and their families for making the journey to the estate and participating so generously in all the activities.

NEW OUTERWEAR ORDER

The next outerwear order will be open from Monday, September 21st until Friday, October 2nd. There is one item temporarily out of stock, so please consider this when ordering. Item JP56 - the Royal Adult Port Authority Team Jacket size XS only is currently out of stock. Sizes small and up are still available. Because our Back to School nights have turned virtual, we wanted parents to have the opportunity to check out the sample jackets we have. The rack of jackets will be sitting outside in the alcove, until tomorrow. You're welcome to check them out, but please do not remove them from campus. Contact catherine.cobos@gmail.com with any questions.

VOLUNTEERS NEEDED

On Sat, Sept 26th from 9-Noon, we will be cleaning up some cut down tree branches in the back courtyard behind the chapel. As many of you know, this is one area that the kids use during their lunch periods and we are trying to make more room for the kids to play. Please come help! Questions? Contact Mr. Geary at pgeary@setonschool.net or Mr. P. at dpennefather@setonschool.net.

LET'S KEEP OUR STUDENTS HAPPY, HEALTHY, AND ACTIVE IN SPORTS

SUPPORT SETON ATHLETICS

A MESSAGE FROM THE SETON ATHLETIC PROGRAM

At Seton we have a school full of happy, healthy, wholesome students who we want to stay that way by keeping them active and involved in athletics. With 75% of our student body participating in school sports we've been pretty successful. But to keep our kids active requires offering 12 sports, and since we're both a junior and senior high school means we field teams for up to three levels (Varsity, JV, and Jr. High) per sport. That adds up to a lot of teams and considerable operating expenses. And in today's reality of virus concerns, the Athletic Program now incurs additional costs to address virus screening & cleaning equipment.

The Seton Athletic Department's only fund-raiser of the year is underway and requests your support. **We ask for your support of Seton Athletic's only fund-raiser to keep our students active while keeping them safe.**

To donate go to setongolf.com and click the DONATE button. It's our 20th Annual Colonel P. Memorial Golf Tournament!
