FROM OUR EXECUTIVE DIRECTOR, MRS. CARROLL

NOVENA OF HOLY HOURS: Our novena continues, tonight through November 2. Please join us in the Seton Chapel 7:30 PM – 8:30 PM each evening to pray for our nation and our Church. The only complete and lasting answer to the ills of our nation must come from God.

Bring family and friends.

ALL NIGHT ADORATION: We will also have all night Eucharistic adoration 9 PM Saturday, October 31 – 6 AM Sunday November 1. Click [here](#) for the sign-up genius. The link is also available on the [website](#) in case you have friends outside Seton who would like to join us. The sacrifice needed to participate, especially in the late night-early morning hours, will be a powerful way to ask God's blessings.

PLENARY INDULGENCE FOR THE SOULS IN PURGATORY: In the past a special plenary indulgence was available during the octave of All Souls Day (Nov.2-9) under the usual conditions for visiting a cemetery and praying for the deceased. The Vatican has extended this indulgence this year through the entire month of November. The "usual conditions" are receiving Holy Communion the same day, confession within a reasonable time before or after the day, praying for the Holy Father's intentions, and freedom of attachment to sins. Full information on the extension is available [here](#).

SETON'S TRADITION: Seton students have traditionally made a pilgrimage to the nearby cemetery after the Monday Mass at All Saints. Since an all-school pilgrimage is not possible this year, the Seton senior class of 2021 will visit the cemetery during their religion classes on Monday, All Souls Day, and thus carry on the tradition.

"The most powerful thing we can do on this earth with our time is to spend it in Eucharistic Adoration. Nothing can do more to change the world, to bring about peace, to convert hearts, to make reparation for the many evils committed. Spending time in prayer may seem, on the outside, to be a passive thing; however, it is anything but! Our world is in desperate need of hope, of renewal, of a 'turning back' to the things of God. By visiting Our Lord in the Blessed Sacrament, we take up the best weapon for the battles of our age and contribute to the healing of our culture. Cultivating a Eucharistic life of adoration also bears tremendous fruit in our own hearts and lives. We cannot spend time in the rays of His Eucharistic Presence without receiving His grace, His love, His mercy, His peace. As we gaze upon Him Face to face, we are transformed little by little into a closer reflection of His divine image."

REPORT CARDS AND PARENT/TEACHER CONFERENCES

Report Cards will be posted on Jupiter Ed on Mon, Nov 2nd. Please note that behavior and attendance information is always available on JE, by clicking on the appropriate tab in your child's JE account.

Parent/Teacher Conferences will be held on Wednesday, November 4th from 1-5pm. Families please mark your calendars that this is an early dismissal day at 12:20. Now that first quarter is completed, we are dedicating an afternoon for those of you who want to schedule a conference with your child's teacher. You may call the main office to schedule meeting's from 1-5 in 15 minute increments. While parents can schedule a conference with any teacher, we ask that all parents schedule a meeting with a teacher if their student has a grade of 70 or below in any class. If you cannot come to school during the available hours, please make other arrangements with the teacher.

On Tues morning, Oct 27, we sent out a phone message to all our families and teachers to test out our emergency phone system. You should have received both an email and text message to the cell phone and email address we have on file. Some of you did not get the text message. If you did NOT get the text message and would like to, please text **67587** with the word **YES** (click [here](#) for the flyer). In addition, please email your cell number to tmccintyre@setonschool.net or call the front office to ensure we have the correct number on file.

Our emergency system will be used only when necessary to issue school closings with regard to weather and/or other important timely information. Since we no longer follow Prince William County Schools for closures, please ensure we have a way to contact you in case of an emergency or school closing or delay. This information will go out via text, email and will also be displayed on our website. Please call the front office if you have any questions.

THANK YOU TO SPONSORS AND DONORS OF THE 20TH ANNUAL COLONEL P. MEMORIAL GOLF TOURNAMENT!

We are so grateful to the generous sponsors and donors of the 20th Annual Colonel P. Memorial Golf Tournament recognized below! We took a leap of faith 20 years ago with the inaugural Colonel P. Golf Tournament in hopes of offsetting costs for a growing Athletics Program. From that first tournament at Prince William Golf Course where we had just under 100 golfers and profited \$5,000, we have been blessed the last three years with having to close our registration due to record numbers and made over \$20,000 each year!

Back in 2000, we had a few athletic teams break into the state tournament final four. Since then, we have won state championships in multiple sports! All this from a small independent Catholic School that depends on volunteer coaches, parents to transport teams to games, and renting practice and game venues. Certainly the proceeds and support from the golf tournament donors and sponsors have been a driving force in the overall success of the Seton Sports Program!

Your support of this year's golf tournament aids in offsetting the Athletic Department's basic no-frills operating expenses. As we are both a junior and senior high school, we field teams for up to three levels (Varsity, JV, and Jr. High) with a total of 11 varsity sports. That adds up to a lot of teams and considerable operating expenses. Additionally, our tournament honors Colonel Michael Pennefather by a modest scholarship awarded to a graduating senior boy and girl who strongly demonstrate their Faith in daily life, in athletics, and through service to the Seton community. Lastly, thanks to you, we are able to offset expenses for the rental of the Grizzley Sports Complex which allows our teams to have a much needed turf field venue for practices during late winter and early spring when other county fields are not available!

The goal of the Seton Sports Program is the formation of the entire person: body, mind, heart, and soul. At Seton, student athletes are trained and encouraged to commit themselves to God, family, academics, and athletics. The character formation that occurs during this process is of primary importance to the Seton Sports Program. Thank you very much for generously contributing to our 20th Annual Colonel P. Memorial Golf Tournament!
