ROSARY PROCESSIONS WILL BE BACK THIS SUMMER:

Last year we had weekly Rosary processions around the block on Sunday afternoons to pray for an end to the pandemic, for victims of COVID, for everyone in the Seton community, and many other intentions. There is still a need for prayer for our country, our Church, our school, and our families. Rosary processions for 2021 will begin on Sunday, June 13 at 2 PM in the parking lot in front of the main building. Please join us as often as possible.

CONGRATULATIONS to senior Victoria Baker and junior Catriona Linton. These ladies were invited to present a paper at an international conference on medieval studies. The paper grew out of their work in Seton's Data Science Club (directed by alumnus Jeb Linton '89 and Mr. Hoffman). They developed a computer program to study dialects in medieval England. Our Seton students were on the same program as professors, Ph.D's, published authors, and other high-powered professionals. Well done, Ladies!

The faculty and staff at Seton wish all our Seton families a
safe and relaxing summer!

Thank you to all the wonderful volunteers that helped keep Seton open this year!

Because of all our volunteer morning temperature checkers and cleaners, we were able to have a wonderful IN PERSON 2020-21 School year! All after hours cleaners stepped up and shouldered the ongoing changes and additional work that made everything run so smoothly this year. We also had many daytime cleaners that came in to keep our school clean all day. These cleaners included Mrs. Mary Jean Mallory, Mrs. Tanya Lebron, Mrs. Donna Kleb, Mrs. Paula Hugo, Mrs. Maria Elena Coreas, Mrs. Sarah Russo, Mrs. Jessica Morales, Mrs. Karin Barrera, Mrs. Dawn Kach, Mrs. Erin Burgess, and Mrs. Heather Allen. The Orellana family sanitized the bleachers and gym after games so they were ready for Friday Mass and Mrs. Mallory cleaned the heavily-used mats in the gym. And we also had many families come do extra sanitizing. Multiple cleaning families came in to do extra cleaning and sanitizing before and during special events such as the musical performances, the VEX tournaments, and prior to the May Crowning. Our faithful morning temperature checkers were here at the very early hours checking our students to ensure we all stayed healthy. Our temperature checkers included April Knight, John McCardell, Janet Dean, Francine Orr, Ellen Gibbons, Mary Lewandowski, Kristina Picha, Mairin Scheetz, Heidi Santschi, Tanya Lebron, Angie Gasser, Stephanie Reyes, Terese Griffin, Amy Godeaux, and Jennifer Albin. May God bless you!!

Military Day on May 13. Thank you to all our representatives: USCGA, USMMA, USNA, VMI, Air Force, Marine and Navy Recruiting, Army National Guard, and US Navy Sea Cadet!

THE MEMORY PROJECT

Mrs. Jane Mee, retired Seton Art Teacher, has been working throughout the pandemic with former and current Seton students, Anna-Isabelle Colon-Lazu, Sophia Zadnik, Andrea Borneman and Vivian Zadnik on a wonderful artistic service project that reaches across the world to international underprivileged students called "The Memory Project". Mrs. Mee's team of 4 Seton girls meticulously drew amazing portraits of a group of young adults from Russia and the former USSR countries, using their photographs sent to us by Ben Schumacher, based in Middleton, Wisconsin, and founder of the "The Memory Project." This is an "organization dedicated to promoting intercultural understanding and kindness between children around the world through school-based art programs." Students traced their hands on the back of their portraits and wrote a kind note to each of the international students. [Here](#) is a link to a video illustrating this great project. Thank you Mrs. Mee for orchestrating this great project and for our four dedicated Seton students and alumni that brought so many smiles to those less fortunate!
