

SUMMER SCHOOL ALGEBRA PREP CLASS

MRS. SALAS

Description: This mini summer class is an Algebra I prep class -a review of fundamental math concepts that will set the student up for success in Algebra I. This class is designed to guide students through integers, one-step equations, inequalities and equations, and functions, percent, probabilities in a step-by-step process.

Who should attend: Students who received a low grade in their pre-algebra class, those who did well in pre-algebra but who want to be better prepared for Algebra in the Fall and those who just want to spend 30 hours with Mrs. Salas.

Time and Place: July 25 – August 12, from 9 – 11am

Book: We will be using the Saxon Algebra I book (3rd Ed).
(It is recommended to be bought prior to the start of the class.)
ISBN-13: 978-1565771345 OR ISBN-10: 1565771346

Cost: \$300.00

Contact Info: Call or contact Mrs. Salas (703) 861-1432 (I am old school and like talking so don't be shy to call) or email at asalas@setonschool.net
