Senior Exit Interviews Continue!

All seniors will be meeting with Mr. Geary for their Senior Exit Interviews. Meetings will continue through next week. Keep an eye out for next week's meeting schedule which will be posted soon.

A Summer Opportunity for Graduates

The importance of keeping your faith as you make the transition into college is crucial. This year's Seton graduates are invited to register for one of the Associates of St. John Bosco's (ASJB) upcoming College Nights which will be held this summer at four locations in Northern Virginia. College Nights are fun events which network rising college freshmen to other Catholics heading to universities all over Virginia and the country. These College Nights give students the tools and resources to navigate college living while keeping their faith at the very center of their lives. Seton 2022 graduates are encouraged to attend one of these exciting and FREE events. Around 20 to 30 college student volunteers (some of whom are alumni from Seton School: John Paul Vander Woude and Ana Reyes) from colleges all across Virginia and the country facilitate the College Nights by giving testimonies and running small groups. For more information and to register, click [here](#).

PCACAC Virtual College Fair

Potomac & Chesapeake Association for College Admission Counseling (PCACAC) is hosting a virtual college fair this coming Monday, May 16. The featured presentation will be "Introduction to the College Search and Timeline" from 4:00-4:45 p.m. Join college admissions counselors as they share best advice and practices for students embarking on the college application adventure. For the college fair schedule and to register, click [here](#).

CYBER Camp 2022

InfraGardNCR (a partnership between the FBI and members of the private sector for the protection of U.S. Critical Infrastructure) is hosting a virtual week-long Cyber Camp for high school aged students. The camp will be held virtually (online only) Monday, July 18 – Friday, July 22, from 9:00 a.m. until 4:00 p.m. Students will learn Linux Bash; Linux OS from command line; how to forensically process and manage digital information using Linux; and ethical responsibilities in cybersecurity. The cost to attend is \$199. Click [here](#) for more information and to register.

2022 ACL Innovators STEM Summer Camp Series

Young innovators can dive into popular technology summer camps in the DMV with coding, robotics, 3D printing, drone building, and more - promoting continued education with hands on learning and projects. Recommended for ages 13-18 years old. All camps will take place at the Quantico Cyber Hub located in Stafford, Virginia. For camp options, dates, pricing, and to register, visit [here](#).

High School Internship Opportunity

Located in Old Town, Manassas, Hepburn and Sons LLC (serving the American maritime industry) is seeking a dedicated, responsible intern to join the growing organization. In this position, the intern will learn how to work in a professional environment; gain hands-on experience; learn how the organization runs; and gain valuable insight on career choices. This is a paid internship. Click [here](#) for more information, qualifications, and to apply.

Ronald Reagan Great Communicator Debate Series

Put your debate skills to the test this June, with the Great Communicator Debate Series' nationwide competition June 4-5. This is a virtual event. Finalists and a guest of choice win a free trip to California for the National Championship July 21-24, where they will debate once more for a chance at \$10,000 per recipient in scholarships. The Ronald Reagan Great Communicator Debate Series was founded to develop engaged, informed, and conscientious citizen leaders in grades 9-12. The debates search for students who can effectively use logic, evidence, and personality to communicate their ideas, just as Ronald Reagan did throughout his life. For more information, visit [here](#).
