FROM OUR EXECUTIVE DIRECTOR, MRS. CARROLL

SUPPORT THE PRO-LIFE CAUSE: Please read the following important message from Dominick Tolentino (Class of 2020):

My name is Dominick Tolentino, and I am a junior at Penn State University. I am the president of Students for Life (SFL) here on the Penn State campus, spreading the culture of life to the students and faculty. I am helping to raise money for the

Pregnancy Resource Clinic (PRC) because I truly believe that the work they do is inspiring and needs to be known to more people, especially with all of the misinformation that has been spreading around recently due to the overturning of Roe v. Wade. One of the goals for the SFL club is to fundraise for the PRC and to help promote them on campus. The PRC is having a 5K fundraiser called You Matter Walk/Run. Please consider supporting this cause by using my link to donate money! Any amount counts, no matter how big or small of a donation. Know that it is truly going to a good cause of hard-working individuals, giving women the support and help they need no matter what stage of pregnancy.

Thank you so much for your donation and helping me give women a safe, reliable, and free medical resource.

Here is the link to donate: <https://page.fundeasy.com/5832802>

This is a chance to concretely support the pro-life cause. Please keep Dominick and the other Students for Life in your prayers.

VIRTUE OF THE YEAR IS HUMILITY: The second chapter from Divine Intimacy will be sent out this week.

BIG BROTHERS AND BIG SISTERS: Did you know that each senior is a big brother or big sister to a seventh grader? Thanks to Mrs. Duran, who sets up this program, seniors have a chance to help seventh graders succeed at Seton. Their first event was today, a breakfast and get acquainted session. Each quarter there will be another event. If you have seniors in the family, please encourage them to be actively involved with their “Sevies,” all school year long, not just at the quarterly events. Thank you, Seniors, for all you will do for your seventh grade brothers and sisters.

Join the Student Leadership Team
 We need rising Juniors and Seniors to be in the group planning and executing some details of the event. Your participation is important.

We're also looking for Dads to Help!
 We also need some parents, especially fathers, to help with event planning and coordination.
 Please send a Jupiter Ed message to Mr. Terreri.
