Student Athlete Academic Status Form

Dear student

You have chosen to participate in a sport at Seton School. While there are many benefits to athletic activities, it is important to recognize that you are a student first. Therefore, it is important for you to be responsible and keep up with your course work as well as ensure your grades meet the minimum standards set by the school (i.e a passing grade in each class). Too many missed assignments, quizzes or tests will result in a failing grade for the quarter and being placed on academic probation which will prevent you from participating in **all** team activities until the academic issue(s) has been resolved.

Please fill in the information below and the student portion of the chart. Present it to each of your teachers for them to clear you for participation in your chosen activity.

The completed form should be returned to the guidance department by _____
