

# Student Athlete Re-Eligibility Contract

(For Athletes on Probation)

- In keeping with the policy for student athletes, this contract will be made between student and teacher for a course in which the student has not met the standards for eligibility to play on the team.
- If and when the conditions of this contract are met the student will be taken off probation.
- If student fails to meet this contract, he/she remains ineligible to participate in sports. In some cases, a new contract may need to be made.
