Children of the American Revolution)

Dear Family,

My name is Thomas and I live in Paris, France. When I am older, I would like to join the military. I enjoy sports like running, tennis, and horse-riding, and I love history. I am an only child. I attend a Catholic French school which is called “Saint Jean de Passy” which is in the center of Paris. I have been a Catholic Firefighter Scout for two years and I think scouting is a great activity. I learn how to rescue people, made friends, and have developed my Faith in God.

During the American War for Independence one of my ancestors fought in the Chesapeake Bay on the side of the United States when he was twenty-two years old. I had the opportunity to go to the U.S. for the Children of the American Revolution Congress, in spring 2017. I visited New York, Washington D.C., and Mount Vernon. It was very interesting to visit the home of the first president of the United States.

I would like to go to the United States again to improve my English and get to know American culture better. When I went to the U.S. for the first time, I was only ten years old and I wasn't able to speak English.

I would love to have my host sibling visit me in my country if he wanted to. I could show him Paris with its great monuments, the American battlefields of World War I and II, the Palace of Versailles, and introduce him to our Catholic culture... and of course my parent's country home. I am interested in showing our war memorial places, because many of my ancestors fought during the First and the Second World War.

I hope to meet you,

Thomas
