God's Hall of Fame

To have your name inscribed up there is greater yet by far,
Than all the halls of fame down here and every man-made star.
This crowd on earth, they soon forget the heroes of the past;
They cheer like mad until you fall and that's how long you last.
I tell you friend, I would not trade my name, however small,
If written there beyond the stars in that celestial hall,
For any famous name on earth or glory that they share:
I'd rather be an unknown here and have my name up there.
