

# National Spanish Exam 2023: A Record Year for Seton Students!

---

Congratulations to several Spanish students from Seton School who attained national recognition for excellent performance on the 2023 National Spanish Examinations! Students from Seton School have a long history of high achievement on these exams and were taught by Spanish teachers, Ann Martella, Beatrice Pennefather, and Monica Vicente. This year's results were exceptional with 92 Seton students honored nationally!

The National Spanish Examinations are sponsored by the American Association of Teachers of Spanish and Portuguese. "Attaining a medal or honorable mention for any student on the National Spanish Examinations is very prestigious," said Lisa Greenman, National Director of the Exams, "because the exams are the largest of their kind in the United States with nearly 85,000 students participating in 2023."

This year, students honored at Seton include:
