

MEMORIES: A few random memories from Jeanne Larsen, the founder of Seton's Latin Department and a faithful teacher for twenty plus years

"It is fun to think back on Seton's history--the old building with its heat register in the middle, the kids hanging out the upstairs windows, the very cold library. And the last day of school when the boys [Class of '06] threw water balloons from the roof. And I remember those fun field trips where I took kids to the DC museums. Plus Johanna [Haggerty-Schuller] and my trips to Europe."

The question we ask ourselves time and again, "Who am I?" plagues us. While the noble pagans taught the importance of knowing ourselves, it is only through repentance and belief in the Gospel that we come to a full realization that we are, in the words of Psalm 82:6, Sons of the Most High. Sign up [HERE](#) for all the details!

Can your family welcome a French Catholic student into your home for four weeks this fall? Dates are 10/7 - 11/4. Students are 14 or 15 years old, but you don't have to have a student their exact age at home. You can greatly impact a young person's life and open your family to a very enriching experience. Please contact Mrs. Brand at mbrand@setonschool.net.

Please join us to honor Michael Pennefather, Mr P's son who died at age 12 after battling multiple illnesses and disabilities. He colored the world around him with his infectious smile, optimism and joy for life. This year commemorates the 16th Anniversary of Michael's passing. [Click HERE](#) for more information.
