FROM OUR EXECUTIVE DIRECTOR, MRS. CARROLL

GRATITUDE: On behalf of the faculty and staff, thank you, parents, for the many Christmas gifts, cards, prayers, and Masses you have given us over the Christmas season. The great generosity of our parents is always humbling.

SPIRIT AD CAMPAIGN: Seton's one major fundraiser has begun. Follow the advice on the Jupiter Ed message you received explaining this campaign. Information can also be found elsewhere in the Sentinel.

HOLY HOUR TONIGHT FOR MICHAEL BRAND:

Please come to a holy hour tonight in the Seton Chapel from 6:00 PM until 7:00 PM to pray for sophomore Michael Brand, who is suffering from a serious illness, and for his family.

TODAY: Today is the feast of our patron, St. Elizabeth Ann Seton. I encourage you to say some extra prayers to her. The novena in her honor is in your children's planner. Here is a prayer she said and which is a good prayer for all of us to say:

O Father, the first rule of our dear Saviour's life was to do your will. Let His will of the present moment be the first rule of our daily life and work, with no other desire but for its full and complete accomplishment.

Help us to follow it faithfully so that doing what You wish, we will be pleasing to you. Through Christ Our Lord.

Amen.

SETON'S CLOSING AND DELAY POLICY

If the weather causes Seton School to either close for the day or have a delayed opening, an announcement will be made by 5:30 AM that morning through a Jupiter Ed message (please note that Seton does NOT follow PWCS). The announcement will also be on the Seton website. For any delayed opening Seton classes begin at 9:30 a.m. If a Late opening occurs on a Monday Mass day, Seton's classes will still begin at 9:30 a.m. Students are not required to attend Mass on such days. If Seton School is in session and weather gets inclement, Seton School will never close early. Parents are welcome to come pick up their child OR call the school to say their child may drive home. Since students are coming to and from many different areas, parents should use their best judgement when determining if it is safe to drive to and from their location.
