about...Click [here](#).

FROM OUR EXECUTIVE DIRECTOR, MRS. CARROLL

RETREATS: Please pray for many blessings on our students attending our annual retreats today and tomorrow. Fr. Ricardo Pineda, with the Fathers of Mercy will be the retreat master for both retreats. Father Tom Vander Woude and Deacon Gerard Anthony will conduct the retreats for junior high school.

GRADITUDE I: Many thanks to all those who attended the Stations and Soup Supper last Friday. Thanks to Deacon Majewski for leading us in the stations and all who brought all the wonderful soups and accompaniments. I sampled as many soups as I could and found them all delicious, and we also enjoyed the leftovers. Many thanks to Mrs. Maryan Vander Woude, Mrs. Bea Pennefather, and Mr. Hambleton and family for cleaning up and restoring Faustina to its original condition, and to the Swing Dance Club for setting up the tables.

GRATITUDE II: Again, to Maureen Terza Campbell, who painted the inspiring banner now over the entrance to the chapel hallway, and to her husband Bob and nephew Solomon who helped hang it. Say a prayer for them when you pass under the banner to enter the chapel. The banner will help us to meditate on the Passion during these final weeks of Lent.

YEAR OF PRAYER: St. Teresa of Avila, on devotion to St. Joseph: "I wish I could persuade everyone to be devoted to you [St. Joseph]. . . I have never known anyone to be truly devoted to you. . . who did not notably advance in virtue, for you give very real help to souls who commend themselves to you. I have clearly seen that your help has always been greater than I could have hoped for. . . The Lord wishes to teach us that as He was Himself subject to you on earth (for, being His guardian and being called His father, you could command Him), just so in Heaven He still does all that you ask." Father Gabriel adds this prayer: "O dear St. Joseph, I place myself, then, with full confidence under your protection. Teach me to live as you did, in faith and abandonment to God; teach me to live solely for Him, by consecrating myself entirely to His service."

DIAPER DRIVE: Please don't forget to contribute diapers and other baby supplies to the collection for the Paul Stefan Maternity Home. The details are elsewhere in the Sentinel.

RECOMMENDED READING: The third item will be helpful in light of the Alabama court's decision on IVF (in vitro fertilization) and the flurry that has ensued. Read the article to the end to learn of natural and moral ways to treat infertility.

CODE QUEST – 2024 Three sophomores from Seton, having recently completed Mr. Hoffman's Python programming class, showcased their skills at CodeQuest on February 24th. This annual international coding competition, sponsored by Lockheed Martin, drew twenty teams to their Manassas facility. The team named the Grim Reapers, comprising Joe Benin,

Javi Garcia, and Alivia Compton, secured a commendable 3rd place in the Novice category and ranked 10th overall. Their success was marked by adeptly solving Python problems during an intense 2.5-hour contest. The day also featured an enlightening presentation on STEM opportunities globally and at Lockheed Martin, alongside a tour of the Manassas facilities. It proved to be an invaluable experience for the students!
