*“Let His Will of the present moment be the first rule of our daily life and work...”
-St. Elizabeth Ann Seton*

- ✦ Seton students learn to be soldiers of Christ; therefore, it is appropriate that the heart of the Seton seal is a shield.
- ✦ This shield is divided into three parts to represent the Holy Trinity.
- ✦ The Holy Trinity is further represented by the three stars in the lower section of the shield.
- ✦ In this same section are the Papal Keys demonstrating Seton's loyalty to the Holy See.
- ✦ A rose in the top left-hand section proclaims Seton's devotion to the Blessed Virgin Mary and commitment to the sanctity of life at all stages.
- ✦ The right-hand section contains the seal of the Daughters of Charity, founded by St. Elizabeth Ann Seton.
- ✦ Finally, the symbol, M, is on both sides of the seal. This is a symbol of Our Lady, reminding us of the promises of the Miraculous Medal.

CHAPTER I OVERVIEW

A. Description

Seton Junior-Senior High School is an accredited, private, co-educational school in Manassas, Virginia operated by Catholic laymen dedicated to promoting the established tradition of Catholic liberal arts education. Seton School offers personalized instruction, regarding each child as an infinite value in the sight of God and therefore deserving of our best efforts to meet his or her individual needs. Catholic education on the secondary level was rarely co-educational in the past. This traditional practice had many advantages but there are also advantages to co-education. At Seton School we offer the best of both by having some co-ed classes and some classes only for boys or only for girls.

Seton School is officially affiliated with the Diocese of Arlington, under the authority of the bishop in matters of religious education and qualifications of our religion teachers, who are certified by the Diocese. In other areas, Seton School is independent and retains autonomy in curriculum and methods. Seton School is not a diocesan school and does not receive any diocesan subsidies. As a private, independent institution, Seton has financed all its physical expansion through tuition and donations from Seton families and friends.

Seton draws students from a wide geographical radius of approximately 30 parishes in the diocese. Most families are attracted to Seton because of the school's philosophy. We teach orthodox, traditional Catholicism in complete harmony with the Magisterium of the Catholic Church as taught by the Holy Father. We stress individual attention, rigorous academic standards, high standards of conduct, close cooperation with parents, a family atmosphere and activities which are available to all students.

B. Mission

By the grace of God and in cooperation with our parents, the primary educators of their children, the faculty and staff of Seton School profess a threefold educational mission to:

- Deepen the students' relationship with the person who is Jesus Christ, so they might faithfully follow His teachings and discover their vocation within His Church.
- Cultivate the pursuit of Truth through sincere faith and right reasoning in all areas of study.
- Foster intellectual, theological, moral and social virtues through excellence in and outside of the classroom.

C. History

Seton Junior-Senior High School was founded in 1975, the year of Mother Elizabeth Ann Seton's canonization. There were two teachers instructing sixteen 7th-9th grade students

in rented facilities. In 1980, Seton purchased the church buildings near historic Old Town Manassas where the campus is situated today. The Seton School student population remained under 100 until 1989.

In 1992, Arlington Bishop John Keating dedicated the St. Joseph wing of the school. The number of students grew from 135 at the end of the 1992 school year to 186 at the end of the 1993 school year and reached 250 during the 1993- 94 school year. In 1994, the occupancy permit was obtained for the multipurpose John Paul II Center. With the addition of Our Lady of the Rosary classroom wing at the beginning of the 1995-96 school year, Seton enrolled 330 students that year. Seton opened the Corpus Christi Center in January 2006 and, in the Spring of 2016, completed and dedicated Our Lady Queen of the Angels Chapel. Today, Seton is now at maximum student capacity of approximately 370 students in grades 7-12.

CHAPTER II

SPIRITUAL FORMATION

*Give to the Lord, you families of nations, give to the Lord glory and praise; Give to the Lord the glory due His Name! Bring gifts and enter His presence; worship the Lord in holy attire.
1 Chronicles 16:28-9*

Spiritual activities are an integral part of the Seton program. Appropriate behavior is expected at Mass and all other spiritual activities.

A. Weekly Masses

1) Monday Masses

The Seton school week begins with Monday Mass at 8:30 a.m. at All Saints Church. Students must arrive on time and be in proper school uniform (including only Seton-approved outerwear) before they enter the church. Juniors and Seniors are required to sign in before Mass and all students must be in their pew before Mass begins. All students are required to sit together, in the assigned pew, with their class in the front rows of the center section of the church. Girls sit on the left, boys on the right. This seating arrangement fosters unity among the classes, allows for efficient and organized attendance, and promotes a cohesive and structured image for Seton. Special permission may be granted only by the School Director for students to sit anywhere other than with their class. Students who arrive early for Mass at All Saints should go into church and prepare themselves for Mass. Students must not socialize in the church vestibule. Classes begin after Mass at 9:35 a.m. on Mondays.

2) Friday Masses

A second school Mass is held in the school gym each week on Fridays immediately following the 4th class period. Students must be in proper school uniform (including only Seton-approved outerwear) and sit with their classes as described above for Monday Masses. The 5th class period begins immediately following the end of Mass on Fridays.

3) Visitors to a Seton Mass

Visitors to a Mass at Seton must be dressed appropriately and respectfully. Jeans, t-shirts, tank tops, and shorts are especially not acceptable except for small children.

4) Serving at Mass

Seton students have the opportunity to assist at the Monday and Friday Masses as altar servers and as lectors on a rotational basis.

B. Additional Spiritual Activities

1) Opening Mass

The Seton community celebrates Mass together and asks for God's grace for the coming school year.

2) Daily Rosary

Students are encouraged to pray the Rosary at 8:00 a.m. Tuesday-Friday in the chapel.

3) Daily Prayers

Classes are opened with prayers at each teacher's discretion. The Angelus and grace are said at noon.

4) Chapel

The Blessed Sacrament is reserved in the Seton Chapel. Students are encouraged to make visits during the day. Parents and friends are also welcome to visit the chapel.

5) Monthly Holy Hour

This is held in the school gym on the third Wednesday of each month. The time depends upon availability of a priest or deacon. Students must maintain a reverent silence on the way to Holy Hour and while waiting to begin.

6) Days of Recollection and Retreats

During the school year, days of recollection and retreats are scheduled for the students. When such activities are held during school hours, attendance is required for all students.

7) All Souls-Day Cemetery Pilgrimage

We walk to the cemetery across from All Saints Church after Monday morning Mass during the All Souls Octave (Nov 2-9). Each homeroom meets at an assigned grave and prays a decade of the Rosary for the faithful departed.

8) Christ the King Procession

The entire Seton student body processes around the block with the Blessed Sacrament under a canopy in honor of Christ the King. Families are welcome to attend.

9) Pro-Life March

Each year on January 22nd, Seton classes are cancelled so all students and families can attend the March for Life in Washington DC. Participation is strongly encouraged.

10) Shrine Pilgrimage

On the first Sunday of May, we hold an all-day family pilgrimage to Mother Seton's Shrine and the Lourdes Grotto in Emmitsburg, Maryland, to give thanks for the blessings we have received and to pray for the continued success of our school. The day includes Mass, Rosary, and a picnic. Participation is voluntary but strongly encouraged.

11) May Crowning

The May Queen and her attendants are selected by and from the Seton student body. The May Crowning is held the week after Mother's Day.

12) Graduation Mass

This Mass initiates the annual graduation ceremony on the first Monday of June.

CHAPTER III

ACADEMIC POLICIES, PROCESSES, AND PROCEDURES

A. Graduation Requirements

1) Overall

a. Students must complete 26 credits in high school subjects and achieve an overall grade point average of 2.3 or 77% to graduate with a Seton High School Diploma. In addition, all students must participate in one Science Fair and all seniors are required to participate in a pro-life speech competition. All courses are worth one credit unless otherwise noted. Note: The terms “class” and “course” are used interchangeably throughout this handbook.

b. Descriptions of specific Seton courses are contained in the Seton Course Catalogue available at: <https://setonschool.net/wp-content/uploads/2024/03/2023-2024-Course-Catalog.pdf>.

2) Academic Year on Campus

Seton requires a residency year when a minimum of six courses must be taken at Seton School. This would ordinarily be the senior year, but a student who attended full time during the junior year could consider that to be his residency year and be eligible to attend part time in his senior year.

3) Required Courses

a. Students must take Religion 11, Language and Logic 11, Religion 12, and English 12 on campus to receive a Seton diploma. A senior who fails a required course may take the Seton summer remedial equivalent course or equivalent college level course approved by the relevant department head and Seton Director or by following the requirements of Chapter III, Section C of this handbook.

b. Seton typically does not accept outside courses for Seton graduation credit. If extenuating circumstances exist, a parent/guardian may appeal for an exception to this policy by following the requirements of Chapter III, Section C of this handbook. Any student who is taking an outside course approved under the provisions of Chapter III, Section C of this handbook must complete the work by the end of the 4th quarter (usually the 3rd week of May).

c. Students who have not met the graduation requirements may attend commencement exercises, and may receive a certificate of achievement, but not a diploma.

d. Some departments require students to earn a certain grade point average to be eligible to take the next higher-level course. Please see the requirements for each department below.

4) Religion Requirements

All students, including non-Catholics, must take a religion class each year. Four religion credits are required including Religion 9, Religion 10, Religion 11, and Religion 12. Students must have a grade average of at least 70% in Religion 11 and Language and Logic to take Religion 12. Students who do not meet this prerequisite are required to take Mrs. Carroll's 2-week summer school Religion 12 prep course.

5) English Requirements

Six English credits are required including Grammar 9, English 9, English 10, English 11, Language and Logic 11, and English 12.

6) Foreign Language Requirements

a. Three foreign language credits are required including Latin I and two consecutive years of another language or Latin I and II plus either Latin III or another language. An average of 75% or better is required to take the next higher level foreign language course. If a student's final average is lower than the required 75%, the student must retake the course, take a remedial course in summer school, or use tutoring approved by the teacher and department chair before being allowed to enroll in the next higher level course.

b. All Seton foreign language classes are taught at the high school level and are averaged into the student's high school cumulative GPA even if the student takes a foreign language class as a 7th or 8th grader.

c. Registration for languages in junior high school is conditional: students may be asked to drop the course at the end of the first quarter if they are not ready to succeed.

d. Seventh grade students may take Latin I if they have scored 88% or above on the Seton Grammar entrance evaluation test.

e. Eighth grade students who have achieved an 88% or above in Grammar 7 may take Latin I. If a rising 8th grader did not achieve an 88% in Grammar 7, he/she may take Grammar Summer School to qualify for the class. Rising 8th graders who took Latin I in 7th Grade and achieved an 85% or above may take Spanish I, French I, or German I as an elective.

f. Students are encouraged to take more than the minimum number of foreign language courses since many colleges and universities prefer students who have at least three years of a foreign language.

7) Math Requirements

Three credits are required including Algebra I, Algebra II, and Geometry. An average of 70% or better is required for any student to take the next higher level math course. If a student's final average is lower than required, the student must take the Seton summer school remedial course or consult the Math Department Head about options to get to the next math level.

8) Science Requirements

The science requirements for graduation are Biology and two additional high school science credits, with as well as participation in one High School Science fair. All transfer students must also meet these requirements.

9) Social Studies Requirements

Four credits are required including American History and American Government.

10) Electives

More than 20 elective classes are available to help complete overall graduation requirements.

11) Junior High

a. Seventh and eighth grade students are considered junior high students. A seventh grade student with a grade average of 77% or above at the end of the academic year is eligible for promotion to the eighth grade.

b. An eighth grade student with an overall grade average of 77% or above may graduate from junior high and be admitted into high school.

c. If a junior high student has a grade average below 65% at the end of their first semester at Seton a conference with the parents will be held to determine whether the student should continue at Seton.

d. A junior high student with an average below 65% in required courses at the end of the academic year shall have the option to take the remedial course over the summer or repeat the course the following academic year. If a student fails to meet our requirements they will not be able to return to Seton unless an alternative is approved by the School Director.

B. Grading Scale

Seton School uses percentages on report cards and transcripts. Letter grade equivalents are used as follows: A, 93-100; A-, 90-92; B+, 87-89; B, 83-86; B-, 80-82; C+, 77- 79; C, 73-76; C-,70-72; D, 65-69; F, below 65. Transcripts display the final grade received for each class on a 100-point scale. A 4-point scale is used to calculate the cumulative GPA (see chart below). The cumulative GPA is calculated by averaging all Seton High School classes taken. All classes carry the same weight for GPA purposes. A passing grade is 65.

4.0	3.7	3.3	3.0	2.7	2.3	2.0	1.7	1.0	0
100-93	92-90	89-87	86-83	82-80	79-77	76-73	72-70	65-69	64-0

C. Outside Course Approval Policy

Seton typically does not accept outside courses for Seton graduation credit. If extenuating circumstances exist, a parent/guardian may appeal for an exception under the following conditions:

- 1) The proposed course must be taken from an accredited institution including those acknowledged by VCPE/VISA.
- 2) The proposed course must be a course Seton is not currently offering including summer courses and dual enrollment courses.
- 3) The course must be approved before beginning the course by completing the Seton School Outside Course Application Form available at: <https://setonschool.net/wp-content/uploads/2024/04/Seton-Outside-Course-Application-Form-FINAL.pdf>.
- 4) Based on department requirements, a student might be required to pass the Seton final exam for the equivalent Seton course.
- 5) To remain a full-time student, no more than two (2) outside courses may be taken per academic year.
- 6) The Seton Registrar must receive the official transcript noting successful completion of the course no later than May 15 of the graduating year.

D. Course Scheduling

During the fourth quarter of each year, the guidance department will conduct course scheduling workshops to assist students as they complete the required forms for the following year courses. Parents and students are strongly encouraged to consider teacher recommendations regarding moving on to next level courses for the next school year. If you have any questions or concerns about whether your child is ready and prepared for a next level class, please contact his/her teacher directly, or if you have additional questions, please call or email the Guidance Department.

E. Add, Drop or Change Class Policy

Students may not drop a course until the end of the first 4 full weeks of school. Such a dropped course will not appear on their transcript. Students may not drop courses after the third week in the Second Quarter without serious academic or personal reasons. Normally only one study hall is allowed per year so a student who already has a study hall may not drop any courses unless there are significant extenuating circumstances. Class changes to acquire a preferred teacher are not allowed. Adding, dropping, or changing a class must

follow the Seton Add, Drop, Change Approval Process available at:

<https://setonschool.net/wp-content/uploads/2022/09/Seton-Add-Drop-Change-Process-1.pdf>

F. Summer School

Summer school courses are remedial and are not full credit. Students must have a minimum grade of 55 in a course during the regular school year to be allowed to take the remedial course in summer school. Students having less than 55 must retake the entire course during the regular school year. Both the regular school grade and the summer school grade will be recorded on the transcript and will be averaged equally in the GPA.

G. Homework

Homework must be completed on schedule to maintain essential student progress. Teachers may issue a demerit or a grade of zero at their discretion if homework is not handed in when due. Grades for major papers or projects not handed in on time may be reduced at the rate of 5% per day late up to a maximum of 50%.

H. Interim Grades

Student performance is updated on Jupiter Ed at least at the interim point of each quarter.

I. Report Cards and Final Transcripts

Students receive a report card posted in the Jupiter Ed system at the end of each quarter. Final transcripts are mailed to other schools after financial accounts are paid in full and all other obligations are fulfilled.

J. Incomplete Policy

Unless there are extenuating circumstances, teachers shall issue quarterly grades of “Incomplete” only in cases of extended sickness or injury. In these cases, when the student becomes able to work, an Incomplete Agreement must be filled out by the teacher and student with an agreed upon deadline for missing work. Parents will be notified accordingly. The final grade for students who do not comply with their Incomplete Agreement deadline shall be determined at the discretion of the teacher with the endorsement of the relevant department head.

K. Academic Warnings and Probation

1) Advance Courtesy at Interims

Students who are failing one or more courses at the INTERIM point of each quarter will receive an advance courtesy academic warning from the Guidance Department Head with a copy sent to their parents. Students who receive such a warning are required to meet with their teacher(s) to develop and implement a plan to earn a passing grade.

2) General Academic Disqualification

Students whose cumulative GPA falls below the 2.3 or 77% required for graduation after receiving multiple written warnings, multiple meetings with Seton staff, and the assignment of a tutor for assistance, will receive a General Academic Disqualification Warning from the Guidance Department Head with a copy sent to their parents. Parents who receive such a warning are required to meet with the School Director to discuss whether the student will be allowed to continue at Seton.

3) Spring Musical (Play) Eligibility

All students will receive a play eligibility warning from the Guidance Department stating students interested in auditioning for the spring musical (play) must have a passing grade for all courses in their 1st quarter report cards.

4) Juniors and Seniors

Juniors and seniors will receive a warning from the Guidance Department stating they will be in danger of not graduating with their class if they earn an “F” in one or more classes when end of year grades are issued.

5) Academic Probation

Students who earn an “F” in any class when QUARTERLY grades are issued will be placed on academic probation and will be ineligible to participate in sports practices and games (except as indicated in section K.8 of this chapter) until the teacher attests there has been adequate progress in the course as directed in section K.7 of this chapter. A student on academic probation may attend games as a member of the audience. The purpose for academic probation is three-fold:

- a. To get student’s attention and remind them academic performance in high school is most important;
- b. To provide extra time for the student to focus on his/her academics; and
- c. To strengthen the student/teacher relationship and provide an opportunity for the teacher to guide the student to practice skills needed for academic success.

6) Start of Academic Probation

Academic probation begins when the parents and students are officially notified by the Guidance Department. The Guidance Department will make every effort to issue the notifications on the day the quarterly report cards come out.

7) End of Academic Probation

Academic probation ends when:

- a. the student fills out the Seton Re-Eligibility Agreement (available at: <https://setonschool.net/wp-content/uploads/2024/08/Student-Athlete-Re-Eligibility-Agreement.pdf>) acquires the signature of the relevant teacher(s), then submits the signed agreement (form) to the Guidance Department Head; and
- b. the Guidance Department Head informs the Seton Athletic Director who will inform the relevant coaches.

8) Swim Team Academic Probation

Members of the Seton Swim Team with no more than one quarterly grade of “F” may continue to participate in Seton Swim Team practices on the condition the student completes all academic assignments with a passing grade for the next two weeks. Participating in swim meets may resume after successfully completing this condition. Failure to complete this condition will cause the student to be placed on standard academic probation as directed in section K.5 of this chapter.

L. Parent-Teacher Conferences

The parents of students who receive a quarterly report card grade of 70 or lower for any class are encouraged to schedule a meeting with the student’s teacher for that class. Parents may schedule conferences with teachers at any time during the school year by appointment. Teachers are normally available for parent conferences on designated days after report cards are posted. Teachers may also request conferences with parents when needed.

M. Textbook Use

Seton assesses a modest book rental fee per student. If a book is lost, it must be paid for before a new book is issued. (See also the “Lost and Found” section.) Charges may be assessed at the end of the school year for missing or damaged books.

N. Voice Recording Devices for Note Taking

1) Voice Recorder Requirements

Students who are approved to use voice recording devices for note taking must:

- have permission from the teacher of the class
- be aware of and responsible for everything on the recording device
- make sure others in the class are aware they are being recorded
- not use the device for any non-class purpose
- never post anything online without permission of each person being recorded.

2) Voice Recorder Penalties

- Anyone who violates the voice recorder requirements above will forfeit their privilege to use such devices and will be subject to disciplinary penalties.
- Disciplinary penalty options include demerits, detention, or suspension at the discretion of the Dean of Students and the School Director.

O. Academic Cheating/Dishonesty/Plagiarism

1) Importance

Academic cheating, dishonesty, and plagiarism are forms of lying or stealing and are serious matters. Students who plagiarize or cheat on assignments, exams, homework, papers, projects, quizzes, or tests are stealing from others, dishonest with themselves, and deny the key Catholic school virtue of character formation. Students are expected to:

- a. take reasonable care to ensure their own work is not copied, even without their permission
- b. attest to the absence of cheating by writing out the Seton Honor Code words “My work is honest, and I know of no cheating.” on all quizzes, tests, and exams.

2) Types and Examples

- a. Copying words, sentences, images, or ideas in papers or projects without giving credit to the original creator. (In papers, credit must be given using parenthetical references or in-text citations or text notes as directed and on the “Works Cited” page. Use of the original author’s exact wording must be shown by quotation marks.)
 - b. copying information from a cheat sheet or another student’s paper and pretending it is your own knowledge
 - c. copying another student’s homework or otherwise turning in work and pretending to have done it yourself
 - d. on a quiz or test, pretending to have read a book or story yourself when you received the information from a friend, a website, etc.
 - e. finding out what was on a quiz or test from a student who has already taken it.
 - f. allowing another student to copy your homework, project, or paper so he/she can claim it as theirs
 - g. telling a student who has not taken a quiz or test what is on it.
 - h. helping a student to write a paper or do other work which he/she was supposed to do without help.
- * Note: It is not cheating, dishonesty or plagiarism when a teacher has directed a student to allow another student to copy their notes or study guide because of a legitimate absence from class.

3) Cheating/Dishonesty/Plagiarism Remedy Process

- a. Teachers who suspect a student of cheating, dishonesty or plagiarizing shall take possession of the item in question (if applicable) and confront the student with the accusation then report their findings to an Academic, Honesty and Integrity (AHI) Committee of an odd number of not less than three (3) persons appointed by the School Director.
- b. The AHI Committee shall not include the School Director.
- c. The AHI Committee shall weigh the findings from the teacher and any rebuttal or defense from the accused student and/or the student’s representative then determine guilt or innocence and assign an appropriate penalty.

d. Disciplinary penalty options include demerits, a grade of “F”, a grade of zero, a complete rewrite of the assignment, detention, suspension, a combination of the above, or expulsion. If a grade of zero results in a failure of the class, the student will need to retake the entire class. The penalty for a second AHI Committee guilty verdict should be expulsion.

e. Students found guilty by the AHI committee may appeal to the School Director whose decision will be final.

P. Academic Honors

1) National Honor Society

The St. Elizabeth Ann Seton Chapter of the National Honor Society (NHS) is a student run service organization. Membership eligibility requires full-time status for sophomores, juniors or seniors who have a cumulative GPA of at least 92.5% from classes taken at Seton, no more than four demerits and no suspensions since the beginning of this school year and no more than eight demerits and no suspensions during the prior year. Notification of eligibility takes place in February at which time students complete an application and schedule an interview with the NHS Faculty Council. Students selected on the basis of their scholarship, character, leadership and service record are formally inducted into the NHS in April. Membership requirements include tutoring, assisting with school functions, chairing an NHS sponsored event, supporting NHS work throughout the year and attending monthly meetings.

2) National Spanish Honor Society

The National Spanish Honor Society recognizes students with high academic achievement in Spanish. Specific requirements for acceptance are available from the Seton lead Spanish teacher.

3) Honor Roll

After each quarter, students who achieve an average of at least 93, with no grade below 77 and no incompletes, are named to the Seton Honor Roll - First Honors. Students who achieve an average of 85-92 with no grade below a 77 and no incompletes, are named to the Seton Honor Roll – Second Honors.

CHAPTER IV

ADMINISTRATIVE POLICIES, PROCESSES AND PROCEDURES

A. Safety and Security

1) Visitor Control

During the school day, anyone visiting Seton School must sign in at the main office (high school front office) and get a dated and timed visitor's pass.

- a. Friends of Seton students may not visit Seton during the school day for an activity without advance permission from the Main School Office (703-368-3220).
- b. The visitor must be neatly and modestly dressed according to the classroom or activities dress code appropriate for the visit.

2) Entrances

Only one entrance will be used to enter the main building (the entrance near the front office). Only one entrance will be used to enter the Corpus Christi Building (the entrance facing the high school building). All other exterior doors must remain locked during the school day.

3) Fire Drills and Shelter in Place Drills

Seton School will conduct fire drills and shelter-in-place drills during each school quarter as described in the Seton Crisis Management Plan.

B. Admissions Policy and Procedure

1) Admissions Policy

- a. Seton School's operations, teachings, policies, and code of conduct are consistent with the tenets of the Holy Roman Catholic Church. Seton School welcomes students of all racial and ethnic backgrounds and is non-discriminatory.
- b. Seton School is not authorized, nor funded nor equipped with the personnel or the facilities to work effectively with children who have emotional or behavioral problems or who need special education. Given these limitations, parents must make an educated decision about whether to pursue applying to Seton.
- c. Parents of students with a professional psychoeducational evaluation or an IEP, ISP, or who have been previously enrolled in a special education program must supply those records when applying to Seton School.
- d. Although Seton is a Catholic school, non-Catholic students are welcome to apply. When applicants outnumber spaces available, preference is given to students with a strong Catholic identity.

2) Admissions Procedure

- a. Electronic applications for the following school year are available in early September through early January on the Admissions page at www.setonschool.net.
- b. Applicants receive an online, fillable PDF, and an admissions packet including the School Director's cover letter, Seton's Admissions Requirements & Procedures, and a Records Release form. All required fields must be filled-in or the application will not be considered complete. Once the form is properly completed and submitted, applicants must send-in a non-refundable \$125 application fee (per child) to the office, directed to the attention of the School Administrator at: 9314 Maple St., Manassas, VA 20110. The application will not be processed until the admission fee has been received.
- c. All supporting admissions documents, including required records and transcripts should be mailed to the Seton office or emailed to records@setonschool.net. Application packets may also be obtained from the Seton office upon request.
- d. Parents of non-current Seton families are required to meet with Seton's Director as part of the application process. This meeting will normally occur the day of the applicant's test session. After the student's test date is confirmed, parents will receive a Signup Genius link to sign-up for an interview slot.
- e. Non-current Seton families interested in Seton are strongly encouraged to attend the Seton Open House for parents and prospective students. The Open House provides an excellent opportunity to learn about the philosophy and academic standards of Seton School. Following the formal presentation, visitors meet members of the faculty, tour the school, talk with current students, and attend "mini classes" in several subject areas.
- f. Additional information about Seton is available by watching welcome videos from our founder, Mrs. Anne W. Carroll, our Department Chairs, and some of Seton's integral volunteers. These videos can be found on the website under the Admissions tab.

C. Arrival and Departure

1) Arrival Times

- a. Students are expected to begin proceeding to their first period classroom each school day when the first bell rings and be present in their first period classroom no later than when the second bell rings.
- b. The first bell rings at 8:15 a.m. Tuesdays through Fridays and 9:30 a.m. on Mondays. On Mondays, students are required to be on time and attend the 8:30 a.m. Mass at All Saints Church.
- c. The second bell announces the beginning of the first period at 8:20 a.m. (9:35 a.m. on Mondays). Students arriving after the beginning of the period (or after the start of Mass on Monday) are considered tardy (for more information on tardiness see Penalties for Excessive Absences/Tardiness in Section E.5 of this chapter).

d. Since Seton School cannot be responsible for students except during school hours, students should not arrive at school earlier than 7:45 a.m. (30 minutes before the first bell) unless there is a school activity requiring otherwise.

2) Manassas Special Use Permit Concerns

The zoning for the area where Seton is located would not ordinarily permit a school in this location. However, the City of Manassas issued a special use permit allowing Seton to operate at our location under certain conditions. The following instructions for parking, dropping off and picking up students are related to the City's stipulations. Violations of these restrictions could endanger Seton's special use permit so cooperation is essential.

3) Dropping Off and Picking Up Procedure

- a. All school traffic to drop-off and pick-up students must enter Cherry Street from Prescott Avenue, proceed along Cherry Street (stop at the stop sign), turn left on Maple Street, then turn right into the school driveway for either school building.
- b. Form a double line in the driveway and pull up as far as possible. Please maintain traffic flow and go around the loop again if your student(s) are taking a long time to arrive at your vehicle.
- c. Move your vehicle out of the driveway as soon as your student(s) have cleared your vehicle safely and watch out for pedestrians.
- d. We have been asked NOT to use MAPLE OR QUARRY STREET to approach Prescott Avenue. Approach Prescott from Center Street, Sudley Road, or from either direction off Centreville Road.
- e. Do not drop off or pick up students on the streets around Seton.
- f. Always follow instructions given by the school crossing guards.
- g. Students must be picked up no later than 4:00 p.m.

4) Parking Lots

- a. The spaces in Seton parking lots should be used before parking on the streets.
- b. Seton has parking lots located in front of the main (high school) building, in front of the Corpus Christi (junior high school) building, behind the Corpus Christi building, and the lot for senior parking located at the intersection of Maple Street and Quarry Street.
- c. Underclassmen are not allowed to park in the senior lot during the school day.

5) No Parking Areas

- a. In front of the driveways on Maple or Cherry Streets.
- b. In front of Ames Funeral Home or in the funeral parking lot.
- c. In the tenants' parking spaces.
- d. On Fairview Avenue.
- e. Anywhere a NO PARKING sign is posted or prohibited by law.

f. In the school driveways. If you must leave your car (even if you think it will be for just a moment), park in the parking lot in consideration of others.

g. In parking lot spaces during drop-off and pick-up times to avoid interrupting the traffic flow.

h. In front of another car without that driver's knowledge and permission.

6) Parking Registration

a. All vehicles driven to school by students must be registered. Registration forms can be picked up at the front office. Failure by a student to have the required registration form on file is a Category II demerit offense. Fines may also be levied.

b. Faculty, staff, and parents who regularly volunteer at Seton should also fill in a vehicle registration form at the school office. This enables us to locate the driver if it is necessary for a car to be moved.

D. Daily Bell Schedule

The times given here for Mass, Holy Hour and Assembly are merely tentative times. The schedules will vary depending on when our priest can come, the time needed for the various assemblies, etc. Assemblies are every 1st Wednesday of the month. Holy Hour is every 3rd Wednesday of the month.

E. Attendance Policies and Processes

1) Absent/Tardy Process for School Days

- a. Parents should call the Seton Absent/Tardy Line answering machine at 703-368-6604 and leave a message before 9:30 am when a student will be absent or tardy. The message should contain the student's name and grade, the reason for being absent or tardy, and the date(s) of absence or time of arrival. The Seton Absent/Tardy Line is serviced by an answering machine 24 hours a day.
- b. Parents are subject to a phone call from the front office to inquire why the student is absent or tardy if the school has not been notified by 9:30 am or if there is any question about a notification message.
- c. High school students (grades 9-12) who are tardy for the first period of the day must sign-in at the main office before going to class.
- d. Junior high students (grades 7 and 8) must sign-in at the Corpus Christi office before going to class if they are tardy for the first period of the day and must sign in at the main office if they are tardy after the first period.
- e. All Seton students who arrive at school after the first period must sign-in at the main office.

2) Absent/Tardy Process for Mass

- a. Attendance at the Masses is required for all students as part of the spiritual formation provided by the school. Out of respect for our Lord and the congregation, every effort should be made to arrive at All Saints Church in time to be in a pew before the entrance hymn begins.
- b. Students must turn in an absence or tardy excuse notice if they miss or are tardy to a Monday morning Mass or could receive disciplinary action.

3) Absent Process for Planned Family Vacations

- a. Family vacations during school days are discouraged.
- b. If parents feel it best to take a vacation during school days, the students who will be absent must inform his/her teachers at least one week prior to the beginning of the vacation. This will allow the teachers time to gather materials and for the student to clearly understand the work the teachers are requiring them to complete while away.
- c. It is the student's responsibility to complete all assignments including homework, tests, quizzes etc. as required by each teacher.

4) Assignments Missed During Absences

- a. For planned absences, students must make up missed work on the day of return.
- b. For unplanned absences (i.e. illness or injury), students normally have one day for every day absent to make up missed work.
- c. It is the student's responsibility to arrange make-up work with the teacher.

d. Make-up tests may not be taken during class time unless approved by the teacher. Teachers may assess a penalty of five points per day for work not made up on time and may require papers and projects to be turned in on time despite an absence. Teachers may also ask absent students to submit assignments digitally, if possible, on the same day they are due.

5) Penalties for Excessive Absences/Tardiness

- a. Students who are absent from a specific class more than seven times in a quarter are subject to a five-point reduction in their quarterly grade for that class at the discretion of the teacher.
- b. Students who are absent from a specific class more than 17 times in a year might have to repeat the entire class at the discretion of the teacher.
- c. Students who miss more than 17 days of school for reasons other than illness might be required to repeat their entire year of school at the discretion of the School Director.
- d. Teachers have the authority to give demerits for late or tardy students based on the teachers' classroom policy.

6) Early Dismissals During the School Day

- a. When an early dismissal or absence during the school day is a necessity, a note must be turned-in to the office before the school day begins. The note should contain the student's name and grade, the date and time to be dismissed from class, the reason, and the signature of the parent or guardian.
- b. The student will be given an early dismissal pass to present to the teacher at the dismissal time. The student then proceeds to the office where he or she must be signed out by a parent or guardian. Student drivers must also sign-out.
- c. Students signed out for part of a day do not need to submit an excuse to return to school. However, they must report to the office and sign back in before returning to class.

F. Inclement Weather Policy and Process

- 1) If the weather causes Seton School to either close for the day or have a delayed opening, an announcement will be made by 5:30 AM that morning through the Jupiter Ed message system (Seton NO LONGER follows PWCS). The announcement will also be on the Seton website.
- 2) For delayed openings, classes will begin at 9:30 a.m.
- 3) If weather becomes inclement while Seton School is in session, Seton School will never close early. Parents are welcome to come pick up their child OR call the school to say their child may drive home. Since students are coming to and from many different areas, parents should use their best judgement when deciding if it is safe to drive to and from their location.

G. Medical Protocols

- 1) Each student must have an immunization record on file in accordance with Virginia state law.
- 2) During the school day, students should report to the school office for any medical problem (headache, illness, injury, etc.). If it appears a student needs to go home, someone from the office will contact the parents or guardian. If a parent or guardian cannot be reached, the emergency contact(s) will be called.
- 3) Parents must file a signed, written statement with the School Administrator for any student who must carry drugs for medical use. The statement must identify the drug(s) and its purpose.
- 4) Parents must contact the School Administrator and provide a signed, written authorization before sending any medication (over-the-counter or prescription) to the school to be administered by Seton staff.

H. Office Hours

The school offices are open during school hours, as well as fifteen minutes before the first bell and fifteen minutes after dismissal each school day. All Seton School business matters should be conducted within these hours.

I. Copier Use

The copy machine in the lobby is available for Seton student use during normal school hours. It should be used only for limited, necessary academic purposes. Students must make their own copies and should not ask staff to make copies for them.

J. After School Hours Use

1) Academic School Buildings

After 4:30 on school days, students are not allowed in any school building unless they are part of a supervised activity. On days when school is not in session, students may not be in school buildings unless they are in a supervised activity. The Corpus Christi building is locked 30 minutes after dismissal unless there are supervised activities taking place.

2) John Paul II Center (Gym)

- a. No one is permitted in the gym outside school hours unless they are part of an organized school activity with a supervising coach or teacher, or special written permission has been granted in writing by the Athletic Director or School Director or his designee. Permission to use the gym must be obtained two weeks in advance of an activity by obtaining a form from the office.
- b. No food, drinks, or gum are permitted in the gym except in supervised situations.

3) School Grounds Outdoors

No one should be on school grounds after school hours unless they are part of an official Seton activity.

K. Contacting Faculty and Staff

Teachers and staff may be contacted using the Jupiter Ed messaging system or by the Seton school email address assigned to each teacher. Each teacher and staff member has a Seton School email address which can be found in the Seton School Directory. Phone messages can also be left by calling the school office at 703-368-3220. Please leave your name, number, and best time to call. Calls will be returned as soon as possible. Please do not call teachers or staff at home unless there is an urgent need.

L. Contacting Students

Parents may call the school to leave messages for their children. Urgent or emergency messages will be presented to students promptly. Students are able to use the office phone to phone home for illness, injury, scheduling issues or other urgent matters. Students may not receive calls, emails or texts on their cell phones at any time during school hours.

M. Lost and Found

1) Miscellaneous Items

Items of clothing and other miscellaneous items are placed in a temporary lost and found location under the stairs near the office or next to the Corpus Christi office. Generally smaller, fragile, or more valuable items are turned in at the office and may be claimed there.

2) Textbooks

If a textbook is lost, the cost to replace the book is charged by the school office and must be paid before a new book will be issued. To obtain a new book, the student must pay the cost at the office and obtain a new book release form to take to the teacher. The teacher will fill in the new book information and return the form to the office for recording.

N. Students

1) Part-time Students

- a. Part-time students must follow the same procedures as full-time students for absence, tardiness and early dismissals as described in this handbook.
- b. Part-time students must sign-in and out in the Sign-In Sign-Out Book at the reception office each day except for the following. Those who have a first period class are not required to sign in and those who have an eighth period class are not required to sign out. (Demerits are given for failure to use this book properly).
- c. Parents of part-time students must call the school to report a student's absence in accordance with section E of this chapter above.
- d. Part-time students should not arrive on campus for a class after first period more than twenty minutes early or be on campus more than twenty minutes after a class other than eighth period. If scheduling occasionally requires a part-time student to be on campus when not scheduled for a class, or for more than twenty minutes before or

after his or her class, the student must report to the office and will be assigned to a supervised study hall.

e. Since announcements are most often made in the first and eighth period classes, it is extremely important for part-time students to read the announcements posted on the student message board and Jupiter Ed messages each day. It is the responsibility of the families with part-time students to inquire about schedule changes, etc., as the school cannot notify every individual student separately.

2) Student Tutors

Students who are being tutored, as well as those who are tutoring, should have a written note from their study hall teacher excusing them from study hall. If students do not have a note from their teacher, they will be sent back to study hall.

3) Student Withdrawals

When a student must withdraw from Seton before the school year ends, parents must complete a withdrawal form (available in the front office) to confirm:

- a. all financial accounts are current,
- b. all books have been turned in,
- c. all student obligations have been satisfied,
- d. the new mailing address is provided, and
- e. the location of the new school is provided.

O. Volunteer Requirements/Parent Resource Organization

1) Seton depends upon the help and cooperation of parents to assist with any number of tasks and programs throughout the school year. This assistance helps to keep tuition low, while engendering school spirit and a family atmosphere.

2) Parents are required to volunteer a minimum of 25 hours per year guided by the Parent Resource Organization (PRO) or pay a buyout fee. Any combination of hours served and dollars spent at current PRO hour values meets the obligation. Money spent on requested food donations or ingredients or spent on gasoline while volunteer driving are examples of dollars counted as hours. See the PRO Handbook under the "Support" tab on the school website for specific dollar to hour conversions and for more information on PRO hours or click [here](#).

3) The PRO is guided by a group of volunteer parents who serve on the PRO Board. The PRO Board is responsible for discussing pertinent issues from a parental perspective and communicating appropriately to the Seton Director and School Administration as needed. Seton parents are encouraged to communicate pertinent issues with the PRO Board members. PRO Board members, announcements, and ways to support Seton while serving PRO hours can be found on the Seton website under the "Support" tab or click [here](#).

P. Sentinel Weekly Newsletter

The Sentinel Weekly Newsletter is distributed via email every Thursday during the school year. It will also be posted online on the school's website.

CHAPTER V

FINANCIAL POLICIES AND PROCESSES

A. Tuition Payment System

1) Methodology

- a. All Seton families are required to use an independent 3rd party billing system called FACTS for tuition payments.
- b. Specific directions are provided by the Seton front office.

2) Frequency Options

- a. Tuition may be paid annually at a discounted rate. Annual payments are due on Aug 15th.
- b. Semi-annual payments are due Aug 15th and Jan 15th.
- c. Monthly payments are due in ten installments starting on Aug 15th and ending on May 15th.

3) Required Fees

These fees will be billed to families during October for the current school year.

4) Class Fees

Certain classes incur additional fees to cover the cost of supplies. These fees will also be billed to families in October.

5) Other Charges

Teachers are not responsible for collecting money. Field trip charges, lost book fees, etc. must be paid directly to the front office with checks made out to "Seton School". Please note the purpose on the memo line of your check.

6) Late Payments

After the 30th of each month, delinquent accounts are subject to a \$20 late fee. All payments are credited to the oldest unpaid statement charges. Student transcripts will not be released until all tuition and fees are paid in full.

7) Returned Check Policy

Each returned check will be charged a fee of \$30.

B. Financial Aid

- 1) Families of students accepted to attend Seton School who would like to apply for Seton tuition financial aid must complete and submit a financial aid application and provide requested financial documentation to the FACTS Grant & Aid Assessment no

later May 15. FACTS assesses a family's financial situation and recommends to Seton School the level of aid a family needs.

2) The Seton administration makes the final decision on Seton tuition financial aid. The financial assistance comes through a work program. Families receiving reduced tuition to attend Seton must work in various capacities to contribute to the betterment of the school. If the assigned work is not completed, the tuition will be reassessed. For additional information about FACTS, please refer to: <https://factsmgt.com/parent-faqs/>.

C. Annual Ad Campaign Fundraising

1) Each year, Seton families are asked to participate in the annual Ad Campaign for the Spring Musical's program book. The proceeds from this fund-raiser make a significant contribution to the upkeep and development of the school's facilities and operations. The Ad Campaign begins in January and runs four to six weeks. The information and forms necessary to solicit donations will be distributed to families at the beginning of the ad campaign.

2) During the course of the campaign each family is expected to raise a minimum amount, which will be announced at the beginning of the campaign. Those families who do not meet their goal will be required to pay a fee equal to the leftover amount before they receive the final year's report card or any transcripts. Any extenuating circumstances preventing participation in the Ad Campaign should be explained to the school's director.

D. Purchasing and Reimbursements

1) Purchasing Process

All purchases for Seton School must be approved by the School Administrator or the School Director. Parents and teachers making purchases by telephone or over the internet may submit a purchase order request to the School Administrator who will make the purchase using the Seton credit card.

2) Reimbursement Process

B. Demerits

1) Authority to Issue

- a. Seton uses a demerit system to record and penalize any student's failure to comply with school requirements. The below policy applies to the most common instances, but the Seton School Director has the authority to impose consequences if any offense warrants a penalty not outlined below.
- b. The only Seton staff authorized to give demerits are teachers, administrators (including the office staff), the Dean of Students and the Seton School Director.
- c. Other authorized adults, i.e.: substitute teachers, chaperones, coaches, etc. may submit a list of student offenders and the offense with the appropriate action taken (if any) to the class teacher or Dean of Students for distribution of demerits.

2) Category I

- a. Category I demerits are generally minor in nature except when exceeding eight in a given quarter. Included in this category are lack of preparation, missing homework, dress code violations, profanity, late for class etc.
- b. If Category I demerits reach eight in a quarter, subsequent demerits will be placed in Category II.

3) Category II

- a. Category II demerits are for behaviors directly affecting the common good and are much more significant in nature. Included in this category are lying, plagiarism, stealing, disrespect/disruption in the classroom or at Mass, vandalism, fighting, bullying, and spreading false rumors.
- b. Severe offenses can result in multiple Category II demerits.

4) Demerit Slips and Record Maintenance

- a. Demerit slips are normally issued to the offending student at the time of the offense.
- b. If a student is reprimanded for a Category I offense, he or she may automatically receive a demerit even if not explicitly told.

- c. Copies of demerit slips are submitted to the Seton front office for record maintenance.
- d. Parents are notified through an automated email generated when demerits are recorded.

C. Consequences/Penalties

1) Detention

- a. Demerits are generally the basis for detention, although detention may be assigned automatically for some offenses. Detention is assigned when a student has received any of the following in a given quarter:
 - Four Category I demerits,
 - Two Category II demerits, or
 - One Category II and two Category I demerits.
- b. Detention is generally held in school during two of the student's lunch periods, (these days can fluctuate based on school activities). Students report to the front office at the beginning of their assigned lunch. Two lunch periods are required to fulfill a single detention.
- c. Detention notices are typically distributed to the students no later than the Monday before the assigned detention. The notice designates the lunch periods for the detention and is intended to inform both the students and their parents. Parents and students also receive the detention notice by email.
- d. Students must report for detention at the assigned time and place. If a student is late for the assigned detention, the detention may be extended, an additional demerit may be given, or the student may be given an additional assignment.
- e. Detentions must not be taken lightly or served only when convenient. Written requests from parents to postpone a detention must be received by the school front office no later than the morning of the scheduled detention. Otherwise, no excuses will be accepted other than an emergency or serious illness.
- f. Failure to serve an assigned detention (including postponing more than once) will be subject to appropriate consequences.
- g. If a student receives a second detention in a given quarter, the parents of the student might be required to attend a conference with the Dean of Students, the Director of the School, or both.
- h. Students receiving too many demerits/detentions might forfeit their eligibility to participate in activities such as plays and athletics. Some clubs and organizations have more restrictive limits for participation or holding office in those clubs.

2) Suspension/Expulsion

- a. Six Category II demerits in a quarter for high school students, and eight for junior high students, may result in a suspension.

- b. Nine Category II demerits in a quarter for high school students and twelve for junior high students may result in expulsion.
- c. If the faculty deems it appropriate for the individual and for the common good, a student may be placed on disciplinary probation, whereby he or she is allowed fewer demerits before suspension or expulsion.
- d. If a student receives a second suspension in a school year, for whatever reason, he or she may be expelled.
- e. Offenses described elsewhere in this handbook can be deemed by the School Director to be particularly egregious and can result in automatic suspension or expulsion.

3) Other

- a. Teachers have discretion to assign an immediate consequence for misbehavior in their classrooms, in addition to or in lieu of a demerit. This consequence may include staying after school the next day or meeting with the teacher during lunch.
- b. If such a consequence is assigned, the student will be responsible for notifying his/her parents.
- c. If a student fails to fulfill the assigned consequence, the teacher may give the student a Category II demerit.

CHAPTER X

EXTRACURRICULAR ACTIVITIES – SPORTS

Similarly, if one takes part in an athletic contest, he cannot receive the winner's crown unless he has kept the rules. — II Timothy 2:5

A. General Philosophy

The spiritual growth of students at Seton is of primary importance, followed by intellectual development. Physical education is also important in student growth and should complement and contribute to spiritual and academic well-being. Students are therefore encouraged to participate in athletics.

B. Background

- 1) Participation in Seton sports is a privilege, not a right. Playing time in games and scrimmages cannot be guaranteed to any particular player and is subject to the discretion of the coach according to what he or she sees as benefitting the team as a whole.
- 2) The Seton sports program includes junior high, junior varsity, and varsity teams for both boys and girls.
- 3) Players are selected by the coaching staff based on performance in tryouts, practices and games. Junior high teams concentrate on learning fundamental skills and physical conditioning to play the sport well. Junior varsity teams continue fundamental skill development and physical conditioning and also include more advanced preparation for the varsity level. Varsity players are selected based on their demonstrated advanced skill and knowledge of the sport so strategy and conditioning can be emphasized.

C. Sports Eligibility and Probation

- 1) Seton students are eligible to participate in Seton School sports when they have:
 - a. signed a Seton Athlete/Teacher Sports Agreement for each of their classes as soon as they are placed on a team;
 - b. delivered the relevant signed agreement to each of their teachers;
 - c. earned a passing grade in all their classes at the end of each quarter.
- 2) Student athletes who earn one or more grades of “F” are subject to academic probation as directed in Chapter III, Section K.
- 3) Student athlete eligibility and re-eligibility forms are available at <https://setonschool.net/student-life/athletics/athletic-forms/>

D. Parental Permission and Physical Exams

Students must have written permission from a parent or guardian and a physical examination to participate in a sport. If a student's physical fitness is in question, the coaches or Seton Athletic Director may require parents/guardians to provide a letter from a physician stating the student is sufficiently fit for athletic activity.

E. Parental Involvement

- 1) Parents are encouraged to become involved in Seton student athletics and should inform the coach of their student's team about their availability.
- 2) Coaching, providing transportation, and donating equipment are some of the ways parents may assist Seton in its athletic endeavors. All such donations of time and expense will be coordinated by the Seton Athletic Director.
- 3) During games and practices, parents who are not part of the coaching staff must respect the authority of the coaches over the players.
- 4) Parents should ensure their children under Seton age always remain with them during Seton games and activities.

F. Attendance Requirements

- 1) Members of Seton teams must attend all practices and games unless they have been absent from school that day or unless they have been previously excused. Players who are unable to attend a practice or have a good reason for being late for practice, must inform the coach ahead of time.
- 2) Players must attend at least four class periods during the school day and complete all tests due that day to be eligible for participation in a game or practice. Exceptions to this policy are at the discretion of the Seton Athletic Director and must be requested by a parent or guardian.
- 3) Students who maintain a job and therefore are not able to attend practice should consider themselves not eligible for sports.

G. Athlete Responsibilities

- 1) Student athletes are expected to take responsibility for their actions or failure to act. Students who forget clothing or equipment for a practice or a game are not allowed to go home during the school day to get it.
- 2) Players who suit up for games must remain on school grounds until they leave with coaches or parents/guardians and must remain where the games are played from the time they first arrive until their games are over.

H. Sports Seasons

Detailed schedules for each sport will be available during each season. Questions concerning games/practice schedules should be directed to coaches. Since schedules often change, office staff might not have current information.

I. Sporting Events and Cell Phones

Cell phones are permitted during sporting events only when a student athlete needs to communicate with a family member about details such as transportation concerns. Permission should be granted from the coach or adult driver to use the phone. Cell phones are not permitted for other purposes during games or while traveling to and from games.

J. Missing Class for a Game/Match

Student athletes who miss class to leave early for a game/match must contact their teacher(s) to make up any missed work. If a student misses a quiz because of a game/match, the student must take the quiz on the day they return to school.

K. Sportsmanship Policy

- 1) Seton players and spectators represent the school and all those who have ever attended it. Members of all our teams must represent Seton in a responsible way.
- 2) Good sportsmanship is emphasized at Seton. Players and spectators must not jeer, hiss, boo, or in any way display negative emotions toward the referees or opposing teams.
- 3) Cheering for Seton teams is encouraged!

4) Players, coaches, and spectators should:

- Always play fairly within the rules.
- Maintain poise and composure under pressure.
- Control our emotions and our tongues.
- Play as hard as we can in practices and games.
- Make a commitment to the team.
- Respect coaches, players, referees and opponents.
- Win and lose gracefully.

L. Inexcusable Athletic Behavior

1) Coaches have the authority to remove anyone from a Seton team for serious transgression(s) of the code of conduct.

2) Coaches must consider all factors and determine the extent of the discipline necessary to ensure Seton is well-represented on the playing fields/floors and fair and just corrective actions are taken with the best interests of the team in mind.

3) Students who do not take pride in the school as shown by egregious behavior or sustained disciplinary trouble are subject to removal from the team.

4) The following is a list of behaviors that cannot be tolerated and could result in suspension, or removal from a team and possible further disciplinary action by the school.

- Failure to follow the coaches' instructions
- Using vulgar or other disrespectful language
- Fighting or threatening to fight
- Unexcused absences from practices or games
- Being unprepared to play
- Arguing with referees
- Any display of poor sportsmanship
- Smoking, vaping, or any illegal activity.

CHAPTER XI

EXTRACURRICULAR ACTIVITIES

CLUBS & SOCIAL EVENTS

A. Clubs and Activities

1) Current List

The current list of clubs and other activities offered for Seton students is available in a document called “The Inside Scoop” located at: <https://setonschool.net/student-life/clubs-and-activities/>

2) New Requests

Extracurricular activities are encouraged and all reasonable requests for new clubs and other extracurricular activities will be considered if enough students are interested. New requests must be submitted in writing and approved by the School Director. Each club or activity must have a faculty or parent advisor.

B. Social Events

1) Scheduling

Social events are also encouraged and can be scheduled if approved by the School Director in coordination with the School Administrator and the School Events Coordinator.

2) Outside Guests

- a. Outside guests are not allowed at Seton social events except the Seton Prom.
- b. If a Seton student wishes to invite an outside guest to the Seton Prom, the student must fill out the Dance Guest Permission Form and the Seton Prom Agreement Form available at the front office. Outside guests to the Seton Prom cannot be over the age of 18.
- c. The Daughters of the King and Sons of the Most High events are retreats, not social events and outside guests are allowed.

3) Arrivals/Departures

After arriving for a dance or other social event, no student may depart from the event until the scheduled closing time without a written note from a parent or a phone call from the parent to one of the chaperones in charge. Students will not be admitted to a dance or other social event if they arrive more than one hour late without the permission of one of the chaperones in charge.

4) Music

- a. Music appreciation and enjoyment is an important part of a student's education but music at Seton social events must be appropriate for a Catholic School.
- b. Music advocating acts of violence, illegal or immoral activity, or bigotry in any form is prohibited.
- c. Music at Seton social events must be approved by a designated faculty member or a chaperone in charge.

C. Extracurricular Money Procedures

All money associated with extracurricular activities must follow the procedures directed in Chapter V – Financial Policies and Procedures in coordination with the Seton School Administrator.

CHAPTER XII

GUIDANCE AND COUNSELING POLICIES

Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. – Philippians 4:6

A. Focus

The focus of the Guidance Department is to meet the needs of each student in a spiritual environment and to direct them toward success in college, vocational or technical school, government, business or the military.

B. Goal

The Guidance Department's goal is to ensure every Seton student receives relevant, accurate, timely, and thorough guidance and advice towards completing their high school requirements on time with a clear post high school path forward.

C. Priorities

The Guidance Department priorities are:

1) Academics

This includes guiding students to complete all course requirements on time.

2) Emotional and Social Support

This is accomplished in accordance with the Seton Counselor/Advisor Procedure and Policy available at: <https://setonschool.net/wp-content/uploads/2022/02/Seton-Counselor-Advisor-Procedure-and-Policy-Revised.docx.pdf>

3) Policy, Process and Procedure

This involves reviewing, developing, proposing and implementing written solutions to any issue related to the goal written in Section B of this chapter.

D. Guiding Principle

The guiding principle of the Seton Guidance Department is to follow the HARM principle and to err on the side of caution in sensitive issues by informing students and parents up front. This means the Guidance Department will report any known viable information indicating the student is in danger of harm from someone else (including bullying), the student is in danger of harming themselves or the student is in danger of harming someone else (including bullying).

E. Multiple Options

The Guidance Department will strive to offer multiple options for each family to choose based on the best information available.

F. Substantive Logs

The Guidance Department will keep a log of substantive contacts with students and their parents.

G. Disclosure Authorization

Before the Guidance Department intervenes in any sensitive issue, parents must sign the Parent/Guardian Authorization for Exchange of Information available at:

<https://setonschool.net/wp-content/uploads/2023/11/Seton-Authorization-for-Exchange-of-Information-2022-Update.pdf>.

H. Outside Referrals

Seton School is not authorized, nor funded nor equipped with the personnel or the facilities to work effectively with children who have emotional or behavioral problems or who need special education. Families of Seton students who develop emotional, psychological, social welfare or mental health issues are referred to the list of outside professionals listed at: <https://setonschool.net/wp-content/uploads/2024/02/THERAPUTIC-SERVICES-AND-PRACTITIONER-REFERRALS.pdf>.
