THE INSIDE SCOOP

Seton Happenings,
Clubs
and Activities

2024-2025

Morning Announcements

- Made every morning to students. Announcements must be submitted by 6th period of the previous day.
- They are posted outside each building office on the bulletin boards and on Jupiter Ed under the Materials tab
- We post what you need to know in the Sentinel

Parent Resource Organization (PRO) Meetings

- Parent Resource Organization (PRO) meetings are held four times per year. These include a new parent/old parent meet and greet in the fall, an evening Lenten reflection for parents in the spring and two other speaker events with socials, one each semester. The PRO strives to bring high quality speakers to inspire and support Seton parents. Beverages and refreshments are served and the evening is meant to be an enriching night out. Please take advantage of these opportunities to build community among Seton families.

Snow Policy

- If the weather causes Seton School to either close for the day or have a delayed opening, then an announcement will be made by 5:30 AM that morning through Jupiter Ed message (Seton NO LONGER follows PWCS). The announcement will also be on the Seton website
- For delayed openings, Seton classes begin at 9:30 am. If a late opening occurs on a Monday Mass, classes will begin at 9:30 am, but students are not required to attend Mass on such days.
- If Seton is in session and weather becomes inclement, Seton will never close early. Parents are welcome to pick up their student OR call to give permission to let their student drive home.

Masses (Monday and Friday)

- Seton students attend Mass twice a week.
- On **Monday**, students attend the 8:30 Mass at All Saints Church. They are taken directly to All Saints and should arrive at least

five minutes early. They sit in assigned rows. Students then go to Seton with their parents, carpool, or other arranged ride.

- **Friday Mass** is held in Seton's John Paul II Center usually at 11:15. Various priests from the diocese celebrate the Mass. Families are welcome to attend the Friday Mass.

Mercy Hours

- Seton encourages students to perform spiritual and corporal works of mercy.
- Some special activities are organized by the school (homeless trip, performing at nursing homes). Some activities are regularly available (altar serving, choir, tutoring). Some are student organized (praying at abortion clinic, evening holy hours).

Exams- Mid terms

- Religion midterm: Monday, December 16th, 9:30 - 11:30 AM
- Other midterms: Monday, January 10th - Friday, January 17th from 9:30 - 11:00 AM (note the religion midterm is longer)
- Some classes may let students stay over to finish an exam, so coordinate a time with your student for pick up.

Exams- Finals (May 21 - May 30, 9:30-11:30 AM)

- One exam given each day for 7 days
- 5th and 6th on same day as lunch/ Religion
- Some classes let students stay over to finish exam, so coordinate a time with your student for pick up.

Spirit Ad Campaign

- Seton's largest fundraiser is the Ad Campaign booklet for the Spring Musical - which kicks off in January. Seton families sell Ads that are printed in the playbook.
- ALL Seton families are expected to participate and raise a TBD amount. Last year was \$400. The families who choose not to sell ads will be required to pay the set amount. More information can be found on Seton's website in the fall.

Seton Dances

- Clubs usually host a dance 1x a month.
- Taking a date is **only** for the Christ the King Dance and Prom, and not all students come with an escort to those dances.
- Dances are high school students only except for the Medical Missionaries dance in January.
- All dances are chaperoned with strict times for drop off and pick up.
- Only currently enrolled Seton students are eligible to attend dances - except for prom (see p. 19).

Fund raisers for the poor

- Watch the Sentinel for announcements about 3-on-3 tournaments and other fund raisers for the poor.

Important School Websites:

- <https://setonschool.net/> This is Seton's official webpage and contains tons of information about schedules, the weekly Sentinels, link to the Calendars, requirements for graduation and much more. The School News section of the home page has the latest happenings at Seton, please check it out often!
- <http://JupiterEd.com/> is the website that Seton uses for recording Seton's grades and for communicating among parents, teachers, and students. It contains homework, grades, files students might need for class and more.
- Calendar: Seton uses a TeamUP calendar which can be accessed by computer or by a phone app. A link to this calendar was sent out by email and can be found on Jupiter Ed. The events for the year are listed here: <https://setonschool.net/news/events-calendar>. Please note the calendar is subject to change at any time without advance warning, so please be sure to check back often to confirm your event.
- <https://setonsports.com/> This is the site for almost all of the sports at Seton. The teams, their schedules, game locations and results can be found at this website.
- <http://www.setonswimming.org/> The Seton swim team is the largest sports team at Seton and hosts its own website. This site is full of TONS of information about the team, its schedule and results.
- <https://setonmusical.com/> The spring musical has more participation than any other activity and hosts its own website. All information regarding the musical can be found here.

Student Government/ Service/ Honor Societies

Big Brother/Big Sister (Tim Heisler) Senior Leaders: Philip Gomez, Mary Catherine Hurley, Rose Waldron) Seton Seniors are paired up with incoming 7th graders to help them transition into a new school with a helping hand from our Seniors. In addition to the year-long assistance from one of the seniors, Big Brother/Big Sister tries to host an event several times throughout the year.

National Honor Society (NHS): (Mrs. Lucas and TBD) The St. Elizabeth Ann Seton Chapter of the National Honor Society (NHS) is a student-run service organization. Membership eligibility includes full-time status for sophomores and juniors who have a cumulative GPA of at least 92.5% from classes taken at Seton, no more than four demerits since the beginning of the current school year and no more than eight demerits during the previous year. Notification of eligibility takes place in February at which time students complete an application and schedule an interview with the NHS Faculty Council. Students selected on the basis of their scholarship, character, leadership and service record are formally inducted into the NHS in April. Membership requirements include tutoring, assisting with school functions, chairing an NHS-sponsored event, supporting NHS work throughout the year and attending monthly meetings. Monthly meetings: the first in school Monday of the month following last bell in Aquinas (or Claude).

2024-2025 NHS Officers:

President- Jackie Hugo	Treasurer- Jojo Vander Woude
Vice President- Molly Bauer	Historian- Gabe Likoy
Secretary- Clara Condon	Parliamentarian- Bella Chau

Student Government: (Mrs. Pogue). Members of the SG/SC are expected to be leaders in the school in every aspect. Their purpose is to encourage the rest of the student body to take pride in the school and get involved. The **Senior Council (SC)** (Mrs. O'Connor) plans and carries out various social activities which work to raise money for the Junior/Senior Prom. The SC is responsible for selling lunch 2 days a week in which profits go to

pay for Prom and various service projects for the benefit of the school. Both groups work in cooperation with the faculty and Director of the school to uplift the student body toward the good, the beautiful and true. All proposed activities are subject to approval from the Director. Student Officers and Representatives are responsible for attending SG/SC meetings and the following specific events during the year. An officer or representative of either service council may undergo review for serious category II demerits with the possibility of removal from office. Elections are held in May. Seventh grade class representative elections are in September.

Senior Advocates: (Mr. Heisler). The mission of this group is to serve as advocates for each class - a voice for the student body. With kindness and patience, we will bridge the gap between Seton grades, as well as between students and faculty, nurturing a charitable and connected day-to-day atmosphere within the school community. Our motto is "I am the vine; you are the branches. Whoever abides in me, with me in him, bears much fruit; apart from me, you can do nothing." John 15:5

Sociedad Honoraria Hispánica (Sra. Martella) Student officers/leaders: TBA. This national honor society sponsored by the American Association of Teachers of Spanish and Portuguese honors excellence in Spanish studies at Seton. Meeting dates: TBD in Vianney. Upper-level students that have demonstrated excellence in Spanish classes (3.5 or above) and have an overall GPA of 3.0 or higher in all Seton courses will be invited to join and will take part in an initiation ceremony.

CLUBS (by alphabetical order)

Seton hosts an Activities Fair on August 28, 2024 where students may sign up for many of the following listed activities. Moreover, students may reach out to the moderator listed to find out more information.

Blue Crab Bowl (BCB) Team: (parent mentors Mr. Konstanty and Mrs. Ekaterina Makarova) **TBA for 2024-2025** because the national organization that sponsored Blue Crab dissolved. A new organization is picking up the competition, but the new national sponsoring organization is not running a competition until 2025 as they continue the process of determining a new competition format. However, a Blue Crab Bowl POCs tell us that William and Mary and ODU have a meeting planned for September to discuss hosting a local high school competition to fill the gap. Stay tuned for more information.

Seton Chess Club: (Mr. P) President: Nick Moore. The Seton Chess Club is dedicated to promoting chess-playing ability in its members while providing an enjoyable experience. Meetings may include lessons on chess tactics, opening theory, checkmating advice, endgame theory, offense/defense, etc. The majority of the meetings will consist of playing chess. The club will meet outside during lunch on nice days and will be based in Clare on other days. There will also be chess tournaments on days predetermined by the club, depending on the availability of its members. In short, the Chess Club is a great way to improve your chess expertise while having a lot of fun!

Choir: (Mr. Catabui) The Choir meets on Mondays after school in Faustina to prepare to sing for Mass on Mondays at All Saints and Fridays at Seton. All grades are welcome to audition. Auditions will be held during the first week of school. Students who cannot stay after school on Mondays may schedule makeup rehearsals during Lunch on Mondays.

Creative Writing Club: (Mrs. O'Connor) The Creative Writing Club will meet once a month and focus on character development, writing short story fiction, using imagery, gaining inspiration, and brainstorming ideas. President: Claire O'Connor. Meeting dates: Last Wednesday of the month from 2:45-3:45 in the library/Jerome.

Data Science Club: (Mr. Linton and Mr. Hoffman). STARTS AFTER MIDTERMS. In Data Science Club you'll learn how to program and train Deep Neural Networks, the most powerful form of Machine Learning - often referred to as 'Artificial Intelligence'. This technology is changing the world and transforming practically every field of study, from the hard sciences and engineering; to language and the fine arts. Our students have already performed at least one world's-first accomplishment. If you're planning to apply to college in the next few years, there's hardly anything that can make your application stand out from the crowd like this. Membership: \$100 dues to help pay for hardware. Meeting Dates: Every other Saturday for two hours in Francis - introduction date for parents and students to be announced.

Hope Club: (Mr. Westhoff) Executive Committee: TBA. The Hope Club raises money for poor children. 100% of the \$\$\$ raised goes to help the Poor. Meetings in Teresa (as-needed basis). Requirement for membership: Love of the Poor

Jazz Band: (Mr. P, Miss Jennifer Erwin). Students with band instrument talent are invited by the directors of the Jazz band. Weekly attendance is essential, as we are preparing for various performances. Currently-scheduled: Christmas concert and Spring Concert. Additional performances TBD. Questions about the club can be fielded by Miss Erwin. Meeting dates: Most Wednesdays after school in Faustina or Innocents.

Improv: (Mr. Moore) Semper Ridiculum, Seton's own Improv Comedy Troupe, is back! We will begin immediately after the Fall Show is complete and will have three hilarious, side-splitting shows! Contact Matt Moore at m@ttmoore.com for more information about how you can be a part of this zany, fantastic Seton tradition. Club generally meets the 1st and 3rd Mondays in the evening. All grades are welcome.

Inspired Gateways French Exchange Program (Mrs. Brand) Inspired Gateways is a French Catholic home-stay program which has partnered with Seton for several years. The mission of the program is to connect French Catholic teens with American Catholic teens and families for the purpose of sharing values and culture, and promoting faith-based friendships. Seton families have

the opportunity to host a French Catholic student for four weeks in October (10/5 - 11/2) or April (around Easter). A private room or bathroom are not necessary. Students are matched to families by age and interests. They attend school and activities with their American host student. There is no expectation for families to play tour-guide. The goal of the program is for the French teens to experience day-to-day life in an American Catholic family. Any student from grades 7 - 12 is eligible to host as long as they desire to welcome a young person from France into your home. There is no requirement to take French, but it is an excellent opportunity for French students because there is an opportunity to visit France at a subsequent time, if desired. Seton earns money through this program, and there is also a stipend available for families to help alleviate the cost of food.

Sacred Life Club (SLC): (Mrs. Carroll) Leaders: TBA. Sacred Life Club plans trips to pray outside of the abortion clinic and fundraise to help mothers in need of our support and charity. Please come and join us as we promote a culture of life. Let's save some babies! All are welcome. Meeting dates: TBA.

Sea Perch: (Moderated by Mr. Maher and Mr. Hoffman) This is a robotics opportunity for middle school students. Sea Perch Club designs, builds and operates Remotely Operated Vehicles (submarines). Cost: \$200 per team. 2 to 3 people per team. Meetings on Wednesdays. The JHS students start in October, completing their Remotely Operated Vehicles in December. A regional middle school competition will be held in January.

Swing Dance: Presidents: Monica De Micoli, William Sokban. Swing Dance club meets as announced to practice swing steps! Announcements about meetings will be in the morning announcements.

Vex Robotics Club: (Mr. Hoffman) Student leader: Jerome Kramer. Seton School offers a VEX robotics club as an after-school activity to foster student interest in science, technology, engineering, and math (STEM) fields. Students work in small teams to build technologically advanced robots and compete in tournaments at the local, state, and potentially international levels. The VEX program cultivates skills such as research, planning, brainstorming,

collaboration, teamwork, leadership, and programming. The Seton VEX Club has three types of teams (described below): Tryouts are usually held the week following high school graduation, and teams are formed immediately afterwards. The teams may begin work over the summer or start at the beginning of the next school year.

Competition Teams: Seton typically fields 4 to 6 VEX competition teams each year, spanning both middle and high school levels. These teams meet several times per week, including evenings and weekends. They compete in tournaments at the local, state, and potentially international levels. VEX robotics for a competition team is nearly a year-round commitment, with competitions starting as early as September and culminating in the World Championship in late April. Given its time-intensive nature, volunteer parental support is essential.

Developmental Squad: (D-Squad) These teams have a lower level of commitment than competition teams. Typically, a D-Squad team competes in only one local tournament, though they are encouraged to compete in more tournaments, if desired. The D-Squad is a good option for students who don't want to fully commit to a competition team right away.

VEX AI team: The Seton VEX AI teams "trains" robots using data science (AI). VEX AI teams participate in V5 competition tournaments but on a much-reduced scale. Guidelines for VEX AI teams are still being developed. To join or form a VEX AI team, either a year of VEX experience or a year of AI experience is required.

Boy Scouts: Seton sponsors Catholic **Boy Scout** Troop 554 that meets on Friday evenings at 7:30 pm, usually in Faustina. Contact Mr. Likoy at scoutmaster@troop554.org for additional information.
