

SETON SCHOOL SUPPLY LIST

2026-2027

The following list is not comprehensive but will hopefully be helpful in preparing for the 2026 - 2027 school year and allow you to take advantage of summer sales.

- The students' class schedules are sent out in mid-August. (*This year it will probably be on August 19th*).
- If shopping before that time, and you will be in a class taught by different teachers, look to see which items might be used in common to both sections.
- If your class is not listed, your teacher will let you know what you need on the first day. Students will also receive a daily planner on the first day.
