VIRTUE OF THE YEAR, PATIENCE, weekly excerpt from Divine Intimacy

"But let us have no illusions: the love of suffering is the summit of patience; it is the fruit of patience brought to perfection. To reach this height, we must begin with a much humbler practice; that is the peaceful and uncomplaining acceptance of everything that makes us suffer."

Now we have a game plan.

Recent college visits & Ryan Baughman ('26) and his dad came to share ROTC information with our students.

ASVAB for the Junior Class on Nov. 3

Each year, Seton schedules the ASVAB (Armed Services Vocational Aptitude Battery) for the junior class. The ASVAB is part of a Career Exploration Program which offers students the opportunity to identify strengths, interests, and skill levels. Once ASVAB scores are received, students can visit www.asvabprogram.com/ for additional in-depth career information as well as assessments to determine possible career interests. Juniors will be taking the ASVAB on Tuesday morning, Nov. 3, at 8:00 a.m. in the gym and will need to bring a laptop from home. For more information about the ASVAB, click [here](#).

Benefits of the Advanced Placement (AP) Program

The AP Program is designed by the College Board to provide motivated and academically prepared high school students (typically 10th-12th graders) with the opportunity to earn college credit and reduce tuition costs. The two components of the program are AP courses and AP exams. Seton does not offer AP courses; however, students have the opportunity to take AP exams with independent study encouraged. AP exams are scored on a 5-point scale, and a score of 3 or higher corresponds to a passing grade in a comparable college course. Many colleges and universities will grant college credit and/or advanced placement for successful AP exam scores (consult individual colleges for their policies). Additionally, earning college credit or advanced placement can allow students more flexibility to double major, study abroad, or graduate early. Participating in the AP Program can also help students stand out in the college admissions process. For additional information, visit <https://setonschool.net/wp-content/uploads/2026/10/AP-OA-2026.pdf?ver=1789705896>.

The 2026-27 AP exams will be administered at Seton in May, but the registration deadline is Wednesday, November 11. For registration information including a list of AP exams offered, visit <https://setonschool.net/wp-content/uploads/2026/10/AP-Registration-form-2026-27.pdf?ver=1789705896>.
